In Memoriam

On March 25, 2017, Mr. Joseph Roden passed away at age 70. Mr. Roden had been a member of the SRCI community since 2014, most recently residing in Housing Unit 2D. Remembrances will take place in Religious Services. Please hold his family and loved ones in your thoughts and prayers as they go through this difficult time.

Changes to Meat Alternative Tray

With the reduction of desserts occurring on the Spring/Summer mainline menu, you will also see changes to the meat alternative tray (MAT). The MAT tray will no longer serve fruit on the days that dessert is not served on mainline. This change is occurring so the trays are consistent with one another.

Pilot Program –Temporary ID Cards

We will be starting a temporary Inmate ID Card pilot project, in Complex Three only, on Sunday, March 26, 2017. There will be two temporary ID cards; Pink ID card-will be issued for Cell-in purposes. Yellow ID Card-will be issued for Loss of Privileges to include STM restrictions. When issued one of these Temporary Inmate ID cards you will immediately surrender your permanent Inmate State ID card to the Housing Unit Officer. When the restriction is lifted or when sanctions expire inmates will be able to return the temporary ID cards to the Housing Unit staff and receive their permanent ID card back.

Education Minute

This week's topic: Books for Checkout from Education

The Education Department has a limited supply of books that can be borrowed from our library. Be aware that our current students and classrooms have priority for any books in Education, so there may be titles that are unavailable. You may be approved to check out textbooks, novels, general literature, or other types of materials based on availability: first come, first serve. Books will be loaned on a limited-duration basis, and Education reserves the right to deny check-out of any materials. Dictionaries, encyclopedias, and classroom-only materials will not be approved for check-out.

Contact C2 Education Box B334 with any questions. If you are interested in donating books to Education, please let us know. Not all titles will be approved, and must be reviewed for Educational appropriateness prior to acceptance.

Restoration Bible Study

This new video series deals with the hurts and pains of life and how to learn, grow and forgive from past events and/or people that have affected us personally. The study will start on Monday, April 10th, 2017 and will last for 26 weeks. The class will close after the initial meeting. Submit an ADD/DROP form or Kyte to the Chapel to attend.

Privileged Housing Professional Art Supplies Incentive Program

A new program is being implemented here at SRCI starting in April 2017. It will promote and reward long-term commitment to exemplary behavior by allowing inmates with at least 18 months clear conduct (Incentive Level 3) and who reside in Privileged Housing units 2I, 2J, 3I, 3J and Complex 1 the opportunity to purchase professional-grade art materials from Dick Blick.

Any inmate that meets this criteria and wishes to purchase items must send an inmate communication form to Recreation Specialist J. Blacketter (Program Administrator) and state that they wish to become a participant in the program and place the kyte in the boxes in front of the chow halls or send to box #339.

After the kyte has been received, a personalized letter of acceptance will be sent to each inmate participant along with an order form. The Letter of Authorization must be kept with all items ordered through the program and the order form must be properly filled out, attached to a completed Package Authorization Form (CD948), and forwarded to the Program Administrator. Program participants will be allowed to submit orders once every six months from a previous order. Most items will be restricted to one per item except for paper supplies.

The number of paper supply orders to be allowed will be determined at a later time. Orders will not be restricted by dollar amount. The list of items will be reviewed periodically and may be subject to change by the Program Administrator and SRCI Administrative staff. Also, program participants must be aware that prices are subject to change by Dick Blick. The order form will be updated periodically to reflect pricing changes.

Program participants who are reassigned to a GP housing unit will be removed from the program but will be allowed to retain any program materials previously purchased and may reapply to the program once they meet the criteria again. Any participant who provides materials to another inmate is subject to removal from the program. Storage of program materials must be in accordance with SRCI personal property rules as published in the inmate handbook.

Further program details and information will be posted in the units.
