## Community-Based PREA Advocacy (Support) Program

It is normal for people who experience sexual abuse to feel overwhelmed and have a lot of questions about what their options are. It is also important to remember no one deserves to be sexually abused. It is not your fault. Surviving and healing is possible.

Inmates who have experienced sexual abuse may reach a community-based advocate by dialing “711” from the inmate telephone system. Community-based advocates provide survivors of sexual abuse information about their options, resources, information and emotional support. Calls to “711” are confidential and free of charge.

### Advocates role

- Provide over-the-phone confidential support and crisis intervention related to sexual abuse
- Talk with a survivor about their current and ongoing safety
- Explain reporting options available through PREA
- Support survivor at a sexual assault forensic medical examination
- Support survivor at an investigatory interview related to sexual abuse, as requested
- Educate/teach survivor coping skills for healing from sexual abuse
- Provide resources and referrals
- Provide follow-up support

### An advocate’s role is

- Not make decisions or tell a survivor what to do
- Not tell a survivor whether or not to report
- Not investigate a crime
- Not provide legal advice
- Not be a survivor’s friend
- Not provide therapy
- Not communicate with the institution unless the survivor requests them to do so and only with a signed limited release of information

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report the sexual abuse unless you request them to do so and if you sign a release of information.

Advocacy crisis lines are not a reporting hotline. If you wish to file a report, you may contact the Inspector General Hotline by dialing 9 on the inmate telephone system, writing an inmate communication, filing a grievance, or writing the Governor’s Office at State Capitol, Room 160, 900 Court Street, Salem, OR 97301.

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and is not to be used for other purposes. Contacting an advocate for anything other than services related directly to coping with sexual abuse takes away valuable resources for sexual assault survivors who need an advocate’s help.

Telephone calls and mail to community-based advocacy centers are considered privileged/confidential communication and will be handled similar to legal calls/official mail.

You may reach your community-based advocate by dialing “711” from the inmate telephone, dialing their direct crisis line number, or sending written correspondence.
