Feeding Birds

We have published many articles warning about feeding birds. Everybody enjoys wildlife. Especially in an environment where nature and wildlife are so limited. However, the key word here is "wild." Birds deliberately fed by people, do not count. We continue to have issues with inmates feeding birds and it needs to stop. Feeding birds encourages large amounts of birds to congregate in areas and in turn causes issues of bird feces which can carry with it disease. Compounded with the large number of people living in a relatively small area, this can be a significant problem. Recently we have been struggling to eliminate birds from the chow hall by installing flashing around their staging points in an effort to discourage them from entering during meals. However, some inmates are deliberately throwing food items on the floor to encourage the birds to come in. No amount of effort on our part to discourage birds from entering the chow hall will be successful if inmates continue to provide a reason for them to enter this area. Of course, staff will hold inmates accountable for feeding birds, however, I'd ask that you support our efforts to provide a clean, sanitary Dining Room using self-restraint. Thank you for your cooperation.

Visiting Regulations Update

The following information is provided to help ensure Adults In Custody know the expectations regarding Visiting Room protocols. This will help ensure you and your visitors have an enjoyable visit. This article focuses on regulations for photos.

Photos are to be family friendly in nature. Visitor(s) must be on the AICs visiting list to be in the photo. AIC may place one arm around their visitor for the photo only, but there is to be no additional contact. AICs are not allowed to stand behind the visitor(s). No gang related posturing, posing, or hand signs. Requirements regarding the dress code for photos is the same as for visitors entering the facility and

AICs entering the Visiting Room – AICs should be appropriately dressed and visitors may not alter or remove items of clothing once inside the visiting room. Only one AIC per photo – any exception requires the Sergeant's approval and would only be for family members. Chairs may be allowed in the photo to accommodate handicap issues, but need the Sergeant's approval first. AICs may hold their children if eight years of age or younger.

If you have any questions about what is acceptable, always ask the Visiting Room Sergeant first.

Two-Year Renewals

Inmate Services Unit (ISU) technicians are completing a visitor clean-up project by completing background reviews on all visitors 15 years and older that have been on your visiting list for two years or longer. Additionally, per Oregon Administrative Rule 291-127-0285 on Visiting (Inmate), any visitor that hasn't visited in the previous **two years** will be removed from the inmate's list unless ISU is notified otherwise.

We ask that you consider **waiting until your visitor is ready to visit** before adding them back to your list. Our visiting application process is very streamlined, so we can complete most applications within a week of receipt unless there is some background issue. This will also help keep your visiting list updated and accurate, and ensure new applications continue to be processed as quickly as possible.

What this means:

1. On May 15, 2017, any visitor that has not visited in the past two years will be automatically removed from your visiting list.
2. You will receive notifications of visitors that are removed. Again, we recommend you reapply when your visitor is ready to visit.

Two-Year Renewals (cont.)

3. ISU Technicians will focus on completing background checks on all visitors on your visiting list for two years or longer, who are still visiting.
4. You will be notified if a visitor is found to no longer be eligible to visit.

The Inmate Services Unit knows how important it is for you to connect with your family and friends, mentors, and support. We want to help make this clean-up project as smooth as possible, so please share this information with your visitors.

If you, your family, or friends have any questions or concerns, please forward them to ISU at the address below. Thank you.

President's Meeting Minutes from Tuesday March 28, 2017

Topics Discussed:

1. Update on prior meeting Action Item Log.
 - a. The birds in the chow hall will be caught and removed.
 - b. If Mr. Yancey approves someone on an STM caseload to move to A-Block and they meet all the requirements, they can.
 - c. Before winter begins, bring up needing the handball court gate open during the runners turnout.
 - d. AM runners are now allowed to leave the yard at 9:00 a.m.
 - e. Mr. Laney spoke to the Visiting Room staff about the rules for photos in the Visiting Room.
2. There was some concern regarding block sergeants not allowing extra time for meals when a person also has med-line at that time and being celled in or given verbal warnings for returning late. Mr. Laney spoke to the block sergeants about this to ensure that a reasonable amount of additional time is allowed for those people.
3. It was asked if people in A-block that have pill line at 4:30 could leave with the A3 chow line so they can get to pill line. Mr. Kelly said as long as the control floor Sergeant is ok with it then it is ok for that Sergeant has to ensure not too many people are on the control floor at once.
4. The President's wanted to ensure that those with incentive level 3 could get out for evening yard when the 4:00 p.m count clears. Mr. Kelly stated that the administration already met and determined that level 3s will go with their blocks. A special line will not be ran for level 3s. They will get out when their block is called for the evening meal, if it is not their blocks night for yard. Another change is that if a person

President's Meeting Minutes from Tuesday March 28, 2017 (cont.)

- comes in from yard to go to pill line, they will be allowed to return to the yard once they leave the pill line.
5. There have been some questions about the rules for the Visiting Room. Ms. Pinkley-Wernz will begin putting segments of the rule in the Walled Street.
 6. The handball court fencing needs repaired. The goal is to make the repairs as soon as possible. It may be after July 1, 2017, when the new budget begins.
 7. It was asked what the guidelines are as to when the AM runner's turnout is called. It depends on when it is deemed light enough by the OIC. The day shift OIC, Captain Ufford, can answer this question if anyone needs further clarification.
 8. It was asked if there is a DOC policy regarding donations so the clubs know what type of things can be donated and who can make donations. Ms. Pinkley-Wernz explained that there is a DOC policy and form CD-1609 for donations. She will get copies of the rule and the form to the clubs so they are informed about the proper procedures for any potential donations.
 9. There is a concern that line staff does not always know what is stated at a President's meeting and therefore may be doing something different than what was discussed. To rectify this, when Ms. Pinkley-Wernz approves the President's meeting minutes she will email them to all OSP staff.
 10. The toilets were removed from the gym poolroom area for PREA reasons. This created an issue at the last basketball tournament where people did not have access to a restroom when the yard was not open. Mr. Laney will ensure that keys are available to staff to be able to open the door between the gym poolroom area and the restroom.
 11. The guys for sweat lodge are not being let out at a consistent time. Mr. Laney will work on this.
 12. The dorm kiosks are being worked on.
 13. Ms. Pinkley-Wernz informed the President's of the new procedures for CD-28s to Activities. Tuesday through Friday at the 7:15 a.m. and 1:15 p.m. line movements Activities staff will be at the bottom of the Activities stairs to collect CD-28s once verifying the person's name. On Thursday s at 1:00 p.m., Activities staff will go to industries to collect CD-28's there. CD-28s can still be turned in at club meetings in the presence of staff. If there is not a line at the

control center, a person may take their CD-28 there to get stamped and given back to them. At that point, the AIC can put the CD-28 in the white Activities box.

14. Over the years, Acti Photo has veered away from how it was originally set up. As a result, Ms. Pinkley-Wernz provided all club Presidents a memo with the new guidelines for Acti Photo.
15. Ms. Pinkley-Wernz shared a memo with guidelines about how youth speaking panels will be ran. She will meet with the club President's who have speaking panels to iron out any potential concerns.

Library Update

The DOC is installing a new computer system for the Legal Libraries. OSP and several institutions have this new system and are experiencing a number of problems. DOC Information Technology Services is working continually to resolve all the problems. One of the problems is that some work is being lost when it is saved to the thumb drive. At this time, Adults in Custody are encouraged to make a handwritten copy of your documents before saving to thumb drive, in case the material is lost. DOC is not responsible for lost electronic documents; however, our IT staff will help to

recover any lost or damaged documents to the extent possible.

Positions Available

The Library has two open positions: (1) Legal Assistant and (2) Interpreter. The Legal Assistant must meet the following criteria: (i) A GED or high school diploma and a genuine interest in helping inmates with their legal needs will be required and determined by interviews conducted by a selection committee; (ii) Qualified applicants will be selected based on knowledge of the legal system, legal research abilities, legal writing skills, ability to communicate, typing skills and an acceptable facility record of demeanor. The Interpreter must be fluent in English and Spanish and have a good conduct and program record. To apply for either position, please fill out an Inmate Job Application and place in the “Library” mailbox on the control floor.

New process for Submitting CD28s for Activities Events

Effective April 5, 2017, OSP Activities is implementing a new process for accepting CD28s for all Activities programs, for example, fundraisers, photo tickets, club meetings, etcetera.

1. CD28s will be accepted during the morning and afternoon line movement: at 7:15 a.m. and 1:15 p.m., at the bottom of the Activities gate on Tuesdays, Wednesdays, Thursdays and Fridays only. Show your signed CD28 and ID card to the staff member who will verify your name and take the CD28 or instruct you to deposit it in the Activities box.
2. If a line forms, move it next to the waiting room windows. Do not block the doorway to yard/Dining Room/Commissary.
3. Once per week, each Thursday at 1:00 p.m., a Recreation Specialist will collect CD28s from OCE shops for AICs that are not able to make the above line movements.
4. CD28s may still be turned in at club meetings, at a time determined by the Recreation Specialist, who will verify name and SID# first.

Denture Information

I wear dentures; do I still need an exam? Some full time denture wearer's assume that because they have no teeth, they shouldn't need to see the dentist. With increasing age the chance of oral cancer's or other lesions forming within the mouth increases. Dentures can also become loose with age due to the bone reabsorbing, and may need replacing or the fitting surface relined. Therefore, it is important for your dentist to complete oral exams. If you are not current on your dental exam, please send an inmate communication to Dental Services for an appointment.

OSP Mail Room

- CD-28s: Be sure that you sign your CD-28. A staff will need to stamp this with an authorization stamp and initial this. If those three items (your signature, authorization stamp and staffs' initials), are missing from the CD-28, staff will not process your request for legal mail postage, or Central Trust check requests and the item will be returned to you. This delays your legal mail or check request. **CD-28's are still only for legal mail through the Legal Library.**

When mailing an item out of the institution please be sure to select the appropriate size envelope, priority envelope or flat rate box: Standard envelope up to one ounce, international gold envelope up to one ounce, 6.5x9.5 envelope up to two ounces, 10x13 envelope up to three ounces, 12.5x18.5 envelope up to three ounces, Priority envelope if it fits it ships no limit on weight, Small flat rate box no limit, two medium flat rate boxes 50 pound weight limit, two large flat rate boxes 50 pound weight limit, Triangle tube for artwork up to 15 ounces. - that you may have.
