Photo Procedures

- Photos cost \$1.00 for a 4x6 single print and won't require photo tickets.
- Photographers **will each have a Green Pass with a number and green hat** and will be assigned to rows of vehicles/bikes.
- To get a picture simply *form a line at the end of each row and wait for the photographer*. Note: AIC's should keep track of the Photographers number on their ID, as it will make it easier when ordering.
- All of the same yard photo rules apply to car show photos i.e. no towers, no hand gestures, no STM Tattoos visible, four people max per photo.
- **The photographers will take up to 5 photos per person and only in their row** (there will be no re-takes or viewing) this process should decrease photo wait time and allow you guys to really maximize your time with the cars and bikes.
- The photos will air on CH 1.1 (for those of you without TV's they will air in the Rec. Building).
- After the show, we will make a schedule available of when photos will be aired.

Topics Discussed at President's Meeting

1. Update on prior meeting Action Item Log.
 - a. The key to the yard restroom from the basketball court and pool area is on both the Yard Sergeant and one Activities Recreation Staff key sets so the restroom is accessible during Athletic tournaments.
 - b. The proposal to upgrade the clubs software was not submitted but should be in the next month.
 - c. In terms of afternoon Activities fundraisers and having food picked up by OCE staff, the club/group doing the fundraiser will need to attach a memo to the Special Event Packet requesting OCE be able to pick up food. The PRC committee will evaluate the request on a case-by-case basis depending upon staffing and the food items.
2. It was asked if there could be an MP3 Kiosk in Industries. The concern is the operational time impacting production. OCE will discuss the matter and get in touch with the exec team.
3. Mr. Laney sent a message to all staff letting them know that at 12:00 pm AIC's with 12:30 call passes need let out to go to lunch. The message also included letting people out for the PM runners turnout as soon as the 10:30 AM count clears. Mr. Laney said if people are not being let out at these times, they need to contact the OIC or Operations Captain Hyde so the matter can be resolved.
4. Having telephones installed in the big blocks on the landings was discussed and Mr. Yoder said he understands the request but the exec team sees problems with this including getting people in there cells, so telephones will not be installed in the big blocks on the tiers.
5. Apparently, there have been some problems with some ICH AIC's harassing two and three bar AIC's. Mr. Yoder will talk to Mr. Briones about the matter.
6. There have been some complaints about people being forced to accept shoes that don't fit properly. Mr. Yoder will talk to Mr. Coburn in the canteen about this matter.
7. It was asked if there could be some clarification about wearing shorts to the yard. Captain Hyde put out a memo that shorts can be worn directly to and from the yard anytime a person is going to yard but the person has to be going directly to and from yard and cannot go anywhere else in their shorts.
8. The topic of selling ice cream vouchers, similar to pop tickets, which could be redeemed when a

person picks up their canteen was discussed. Mr. Yoder will look into the matter.

9. There were some concerns about the proper chow rotation not being adhered to. Mr. Laney said he would handle the issue.
10. Mr. Laney discussed minimum custody AIC's. It is cheaper to house a person at a minimum facility than at a medium one and Deer Ridge was recently converted to a 1700 bed minimum. As a result, if a person is minimum custody, and they are scheduled to be sent to a minimum facility, they will go. The exception is if a person is in the college program, unless they can complete their schooling at Santiam. It is advised that if a person is minimum custody that they talk to their counselor about programs they may wish to be involved in at a minimum facility so they have some input on where they are sent.
11. Ms. Lenex spoke about night visits and the work she has done on the issue. In the end, she said that it just is not viable at OSP as there are too many roadblocks.
