The Compassionate Friends Proving Grief Support
After the Death of a Child

4—Week Grief Support Group

Thursdays: 10:30 am—12:00 pm

Location: Chapel

May 7 thru May 28

“ The Compassionate friends is about transforming the pain of grief into the elixir of hope. It takes people out of the isolation society imposes on the bereaved and lets them express their grief naturally. With the shedding of tears, healing comes. And the newly bereaved get to see people who have survived and are learning to live and love again.”

-Simon Stephens, founder of The Compassionate Friends

The ‘confidential’ support group is for those who have experienced the death of a child. The facilitators have experienced the death of their own child.
