## WEEKEND AT THE MOVIES

*From: CRU*

You may request any film be shown for a weekend movie; however, a film may only be shown as long as it meets the DOC's movie criteria as well as copyright rules (Swank).

Due to the volume of requests received, I am unable to respond and will be adding the movie requested to the list of movies that need to have eligibility determined.

Remember, there are several factors that have to be considered when selecting the movies, and these factors vary at each institution. This means that just because a movie was shown at another Institution it may not meet criteria to be shown here. The movie selection process is subject to change without notice.

I will try to ensure there is a combination of movie genre and release date for those being shown. Please remember that there are many residents here at Coffee Creek with many different tastes in movies.

### Upcoming Movies

## VISITING APPLICATIONS

*From Mr. Robrscheib, CRU*

Once you have submitted an application, whether it was hand written or on the kiosk, please do not keep re-submitting applications for the same visitor. The process for a visitor application can take up to 6 to 8 weeks. Once the visitor is approved or denied, you will receive notification of the application status. Submitting more than one application per visitor is not productive and will not speed up the process.

## PREA HOTLINE CALLS

*From DOC*

We have received some reports of Inspector General PREA hotline calls being disconnected inadvertently by the telephone provider. If this has and /or does happen to you please contact the Inspector General's office and/or Institution PREA Compliance Manager and inform us of the approximate date/time of the occurrence. Currently the Inspector General hotlines only accept a maximum of three minutes on recording. Currently, once that three minute limit is reached, you will hear a message that says "your call has been disconnected". This means the message has been sent.

DOC is committed to providing multiple reporting methods. You can also report by:

- Reporting directly to any staff member, contractor or volunteer
- Writing the Governor's Office (you may ask to remain confidential) at:  
State Capital Room 160  
900 Court St.  
Salem, OR 97301
- Ask a friend or family member to contact DOC
- Drop an inmate communication in any mailbox
- Use the grievance system to file a complaint.

## PREA

*From DOC*

### Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an inmate communication, through the grievance system, by calling the PREA hotline by dialing 9 from any inmate phone.

### Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Office of Constituent Services  
900 Court Street NE, Suite 160  
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

### Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to inmates.

Inmates at ODOC who have experienced sexual abuse may reach a community-based advocate by dialing 711 inmate telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

Role of an Advocate:

- ☞ Provide confidential support and crisis intervention
- ☞ Inform you about the investigation and medical examination process
- ☞ Educate you about healing from sexual abuse
- ☞ Offer resources and referrals

Advocates will:

- ☞ Not tell you what to do
- ☞ Not communicate with the institution unless you request them to do so and sign a release
- ☞ Not provide legal advice

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters  
3325 Wilshire Blvd., Suite 340  
Los Angeles, CA 90010

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

*Coffee Talk 11/16/2017*

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail.

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

E. Sage, PREA Coordinator  
Oregon Department of Corrections  
2575 Center St.NE  
Salem, Oregon 97301

## BIRTH CERTIFICATES AND SOCIAL SECURITY CARDS

*From DOC*

---

---

Many already know how important it is to have your birth certificate and social security card, but it's worth repeating and even "kyting" about. Aside from the benefits of having your birth certificate while you're still inside, both pieces of identification are essential to your success after release because they are needed to get a job, open a bank account or cast a check, and apply for state or military benefits.

As you approach your release, if the DOC does not have a birth certificate or social security card on file for you and if you may be eligible to receive one provided by the DOC, you will receive a kyte from the institution records office. Those approaching age 65 will also be sent a kyte if the DIC does not have a birth certificate on record. The kyte will tell you which piece of identification is missing and give you the means to start the application process. Just fill in the information and forward the kyte to your institution records office. It's as simple as that!

NOTE: To eliminate duplications that could delay your application process, please complete and return only one each of the birth certificate and social security card kyte forms.

## SUSTAINABILITY NEWS

*From Green Team*

---

---

You may be surprised to know there are baby butterfly eggs sleeping in the storage units on G/H Yard. Tucked into tissue-made pockets, the CCCF lab workers place the 15 larva, often siblings, into each little sleeping bag to cuddle up for the long winter. The little larva will hopefully not awaken till they're ready to emerge in February or March of next year. The lab had a 93% success rate with the Taylor's Checkerspot Butterflies when they went through their first

diapause stage inside the Lab. However, being outside amongst the women with the busy activity of yard life could awaken them prematurely not allowing them to develop. That's why it's crucial not to forget and place any items on the storage units. Natural changes in the climate, microscopically small, give them cues of when to act; and the women check their temperature and humidity levels weekly.

Normally raised on Prairie Lands, these little animals are accustomed to peaceful, quiet landscapes and will return to such upon release. Traveling with employees of the U.S. Fish & Wildlife to Crestmont Farms in Corvallis and the Bezell Memorial Forest in Philomath, OR, they will be released to live, procreate and prosper in the environmentally protected landsites which are spreading across the U.S.

Thanks to vigilant efforts by the Butterfly Lab workers and those in Minimum, this is just the beginning of environmentally-sound programs housed at our facility. With proper care and success of such programming, we can look forward to welcoming additional opportunities.

Promoting sustainability saves money, natural resources and the earth for our children to inherit. The beauty of the earth will always go through seasonal stages but with change increasing in the climate, that could be good or bad depending on our action. Join us in reducing, reusing and recycling, and help us make this earth a better place. If you have any questions please let us know and kyte the Green Team, Ms. Fitts.

## ADL WORKERS NEEDED

*From Nurse Gordon*

---

Are you looking for a new job? Are you a kind, caring, compassionate person? Are you looking for a way to help others and give back? Are you respectful and responsible? CCCF is currently accepting applications for ADL Worker positions. Activities of daily living (ADL's) are day to day activities like walking or pushing a wheelchair, bathing, dressing, feeding, and toileting that some inmates may not be able to do on their own; they require assistance.

In order to be considered for this position you must be housed in the Medium facility, have 6 months clear conduct and no program failures in the last 6 months. You must also have at least one year remaining of your sentence, and be physically able to lift with no medical restrictions. We are looking for individuals who communicate well with others,

*Coffee Talk 11/16/2017*

are patient, and respect the need for confidentiality. If you are interested in an ADL Worker position, pick up and complete an Inmate Work Application on your unit. Address your completed application to Health Services Nurse Manager and submit by placing in the Health Services kyte box on your unit. Applications received will be screened by Inmate Work Programs (IWP). Applicants who meet the minimum qualifications may be scheduled and called out for an interview. Thanks for your interest.

## VERY IMPORTANT LIBRARY NOTES

*From Ms. Wheeler, Library Coordinator*

---

1. Library workers do not work 24 hours a day. They have been given a direct order to not discuss legal work on the units. If you have an urgent issue, please ask your unit officer to call the library.
2. DO NOT leave books on top of the book return boxes. You may earn a permanent ban from the library if this practice is continued.
3. Leave ONLY library books in the book return boxes. You may earn consequences from Education or the Chapel.
4. We have many people who have overdue library books and excess library books (more than 5 items). Effective December 1, 2017, you will not be allowed to check out books if you have overdue or excess items. We need to have the book(s) in our hands before you will be allowed this privilege again. This means we will not accept "I put it in the book return box" as a way to be allowed to check out a book.
5. We are making a change to the leisure library schedule. Effective November 27, 2017, we will call G/H on Tuesday morning, C/D Tuesday afternoon and J/K on Thursday morning. I realize this will create some work conflicts, and I am on top of worker line requests. I appreciate your patience as we try this new schedule.

Law Library notes:

1. You MUST put your schedule on your kyte when you are requesting a law library appointment. If you do not, your kyte will be returned unanswered.
2. Effective December 1, 2017, we will no longer provide loaners, unless you are in special housing. You may request an appointment to come review information on the inmate network and take notes, or you may print items and pay for them at \$0.10 per page. You MUST have money in your trust account for this print.

3. If the library is closed, your appointment will be rescheduled. There is no need to send another kyte.

## NATIVE CULTURAL AWARENESS FESTIVAL

---

---

November is American Indian Heritage Month. The Native Circle at CCCF have always had a vision to continue the healing, mentoring and empowering process of our native people. For generations, throughout the centuries, our ancestors fought for the right to practice our traditions and culture. They gave their lives so that we could continue to fight to restore and resurrect that which was taken from us as a people. To show our respect to our ancestors for their sacrifice and bravery and to honor our elders and native people who continue to instruct, guide, teach and inspire us with their knowledge and wisdom, join us in a community celebration on Saturday, November 18, in the Chapel from 12:30 pm to 3:30 pm. There will be drumming, native dancing, a cultural awareness presentation and more. This celebration is open to all Administration, Security staff and the Coffee Creek Community.

The honor of the people lies in the moccasin tracks of the women. No people goes down until their women are weak and dishonored or dead upon the ground.

## TOASTMASTERS

---

---

*From Ms. Roach, Life Skills*

Toastmasters had an incredible evening with much success on September 19<sup>th</sup>. It was our annual "Humorous Speech Contest". The evening was filled with plenty of good old fashion belly laughter. Our 1<sup>st</sup> place winner was Angela Kim with her speech "The Lunar New Year". Our 2<sup>nd</sup> place winner was Haley Fox with her speech "# Guilty / Not Guilty" and our 3<sup>rd</sup> place winner was Nina Deverell with her speech "Why You Should Follow the Directions".

We want to thank our Toastmaster volunteers, our members and also our guests for coming and would like to invite you to another special Toastmaster special event. We will be having a Table Topics Contest on November 14<sup>th</sup>. These are short 1-2 minute "off the cuff" speeches. Have you ever been asked a question and later wished you'd have answered differently? Mark your calendar for November 14<sup>th</sup> and come join us to learn some great techniques. Send your kyte to Lifeskills and request to be added to the callout for November 14<sup>th</sup> Table

*Coffee Talk 11/16/2017*

Topics Contest. Remember that you must be a level 2 or 3 and not be called in to join us for a memorable evening. We hope to see you there!

***MINIMUM RELIGIOUS SERVICES***

---

---

*From Chaplain Al-Amin*

**Please check the Religious Services Calendar for the month in your dorm for a schedule of meeting times and dates for services**

**Services and Activities with schedule changes:**

**New Thought Ministries Tuesday 7 pm**

We are a spiritually based faith, grounded in the Principles of Love, Oneness and Acceptance. The foundation of New Thought is based on Jesus’ central teaching, “As you Believe, so shall you receive.” We’re an inclusive teaching honoring all faith traditions, religions, creeds, races, cultures and sexual orientations, with the premise that we are all whole and complete spiritual beings having a human experience.

At our services, we cover a variety of topics – from meditation, visualization, the power of prayer, the law of attraction, and much more. The idea of New Thought is that you already have all the answers within you, and we’re there only to assist and support you in believing this for yourself, as the Power of God is One with you, and not separate from you.

**Episcopal Services – 7 pm on Saturdays**

All are welcome at weekly worship services. Learn more about the Bible – four readings every week. Learn more about the Good News of God as revealed in Jesus Christ. Our more traditional way of worshipping includes lots of room to bring your own experience and reason. Eucharist (communion) is served about twice a month. We join together for Evening Prayer the other evenings.

Asatru meets D4 the 2<sup>st</sup> and 4<sup>rd</sup> Thursdays of the month.

WICCA, 1 pm – 2:30 pm. D8; on the 3<sup>rd</sup> Sundays of the month
