### **Super Bowl 2018**

On Sunday, February 4, 2018, sack dinners will be handed out during the 4:00 p.m. count. The count will be conducted at it's regular time. This will be a minimal disruption for the inmates in the Dorm and Alpha Block. Dorm inmates will be allowed to return to the TV Room as soon as the staff has conducted the count of their unit. With full cooperation, this will provide minimum disruption. Alpha Block inmates can view the game in their cells until count clears at which time they will be released from their cells.
