## WEEKEND AT THE MOVIES

*From: CRU*

You may request any film be shown for a weekend movie; however, a film may only be shown as long as it meets the DOC's movie criteria as well as copyright rules (Swank).

Due to the volume of requests received, I am unable to respond and will be adding the movie requested to the list of movies that need to have eligibility determined.

Remember, there are several factors that have to be considered when selecting the movies, and these factors vary at each institution. This means that just because a movie was shown at another Institution it may not meet criteria to be shown here. The movie selection process is subject to change without notice.

I will try to ensure there is a combination of movie genre and release date for those being shown. Please remember that there are many residents here at Coffee Creek with many different tastes in movies.

### Upcoming Movies

3/17/18	The Accountant
3/18/18	Daddy's Home 2
3/24/18	Memoirs of a Geisha
3/25/18	A Walk to Remember

## VISITING APPLICATIONS

*From Mr. Roberts, CRU*

Once you have submitted an application, whether it was hand written or on the kiosk, please do not keep re-submitting applications for the same visitor. The process for a visitor application can take up to 6 to 8 weeks. Once the visitor is approved or denied, you will receive notification of the application status. Submitting more than one application per visitor is not productive and will not speed up the process.

*From Mr. Randall, CRU Manager*

---

Do you have a child birth-5 and want 7 hours a week parenting your child?

Head Start offers a bi-weekly opportunity for incarcerated mothers and their children to strengthen their relationship and to preserve the bond of attachment while separated. Mothers gain hands-on parenting experience while their children learn through play and exploration.

Head Start is a national program established in 1965 to promote healthy prenatal outcomes, enhance the development of young children and promote healthy family functioning. The mission of the Head Start program at Coffee Creek is to promote, strengthen, and support bonding and attachment between children and their incarcerated mothers.

Requirements:

- Child aged birth-5
- Minimum or minimum eligible with gate clearance
- Child lives less than 60 minutes away

- Transportation to and from the school every Tues/Thurs 9:00-12:30

## NOTICE TO ALL INMATES RE: COMFORT ITEMS

*From Health Services*

---

---

There has been some confusion lately about Coffee Creek Health Services policy regarding comfort items. Inmates frequently inquire about non-medical issues such as mattresses, shoes, gloves, pillows, and other issues that really have nothing to do with medical care. For example, there is no medical information or medical training on who needs an extra mattress, blanket, pillow or the possible benefit of these items. This is simply not a medical issue.

At Coffee Creek, we in Health Services pride ourselves in the quality of care that we deliver to people who have serious medical needs. The fact remains that while we are here to help with your serious medical needs, we are not here to provide for comfort items and custodial issues. We will not address issues like mattresses, special pillows, bedding, shoes, laundry or any item that is not clearly related to the traditional practice of medicine.

While there has been some discussion among the Department of Corrections institutions about what is considered a valid medical intervention, Coffee Creek follows the direction of the Department as a whole in not intervening with non-medical needs. There are many possible arguments that can be made for us to intervene in these comfort areas; however Health Services will not be doing so.

We also do not intervene in operations such as housing or bunk assignments without clear medical necessity. This is not a change in policy, but rather an explanation. The role of Health Services in your lives—is to deliver the best quality of traditional medical care for your serious medical needs.

All time spent discussing comfort items and prison operations takes away from time that we should spend dealing with inmates' serious medical issues.

## BIRTH CERTIFICATES AND SOCIAL SECURITY CARDS

*From DOC*

---

---

Many already know how important it is to have your birth certificate and social security card, but it's worth repeating and even "kyting" about. Aside from the benefits of having your birth certificate while you're still inside, both pieces of identification are essential to your success after release

*Coffee Talk 3/15/2018*

because they are needed to get a job, open a bank account or cash a check, and apply for state or military benefits.

As you approach your release, if the DOC does not have a birth certificate or social security card on file for you and if you may be eligible to receive one provided by the DOC, you will receive a kyte from the institution records office. Those approaching age 65 will also be sent a kyte if the DIC does not have a birth certificate on record. The kyte will tell you which piece of identification is missing and give you the means to start the application process. Just fill in the information and forward the kyte to your institution records office. It's as simple as that!

NOTE: To eliminate duplications that could delay your application process, please complete and return only one each of the birth certificate and social security card kyte forms.

## SUSTAINABILITY NEWS

*From Green Team*

---

---

**Tulips are rising & pansies are opening in the Garden on C/D Yard! Gardens** across the CCCF Campus are growing again thanks to our rocking Gardening Teams! Hopefully we'll see **freshly grown produce** on veggie trays again! By participating in classes, the gardeners learn the basics w/ different plant varieties, organic pesticide control and therapeutic benefits. Creating "worm-tea" with our collection of worms, composting food waste & yard debris and combining flowers & perennials into bouquets are just a few examples of how our Garden Teams spend their time; with a lot to learn! Students from OSU assisted in creating the environments that are aesthetically pleasing & healthful.

As individual plants acclimate to current conditions, they adjust and become stronger over years that follow; seasonal changes challenge & teach them to become more robust and populate. A little bit of harsh weather actually strengthens plant life as it is forced to overcome sporadic weather changes. Our bodies have this ability to adapt; so get outside, enjoy the brisk fresh air and check out new greenery growing all around! If physically unable, please, enjoy the sounds of singing birds, waterfalls and more with the picturesque views on Ch. 50, Coffee Creek's very own Nature Channel.

The Lab butterflies are about to pupate—a type of cocooning—next week! The Lab Team hopes to receive pregnant female Taylor's Checkerspot Butterflies too! They will then count & collect the microscopic eggs laid, assist them in life transformations & prepare for adulthood in a harsh, never-ending climatically changing Earth.

**Attention all Recyclers:** The new Black Bin on each unit is for CEREAL Bags & cereal bag liners like those found in Granola Boxes. Plastics are notorious for escaping the trash & littering the Earth, so please help us fill the available bins with recyclables to make a difference near & far!

**Please check the Religious Services Calendar for the month in your dorm for a schedule of meeting times and dates for services**

**Services and Activities with schedule changes:**

**New Thought Ministries Tuesday 7 pm**

We are a spiritually based faith, grounded in the Principles of Love, Oneness and Acceptance. The foundation of New Thought is based on Jesus' central teaching, "As you Believe, so shall you receive." We're an inclusive teaching honoring all faith traditions, religions, creeds, races, cultures and sexual orientations, with the premise that we are all whole and complete spiritual beings having a human experience.

At our services, we cover a variety of topics – from meditation, visualization, the power of prayer, the law of attraction, and much more. The idea of New Thought is that you already have all the answers within you, and we're there only to assist and support you in believing this for yourself, as the Power of God is One with you, and not separate from you.

**Episcopal Services – 7 pm on Saturdays**

All are welcome at weekly worship services. Learn more about the Bible – four readings every week. Learn more about the Good News of God as revealed in Jesus Christ. Our more traditional way of worshipping includes lots of room to bring your own experience and reason. Eucharist (communion) is served about twice a month. We join together for Evening Prayer the other evenings.
