### **Postal Service Changes**

Please be advised the US Postal Service recently consolidated the two sorting centers in Portland. They have indicated this consolidation will assist with the ability to process mail faster and more efficiently. However, over the next few weeks there may be a delay in the processing while all of the new systems are put into place; please be patient while this transition takes place.

The OSP Mailroom will continue to process mail as quickly and securely as possible. Currently the mailroom processes mail within the timeline of the Mail Rule (within two days) and will continue to meet those guidelines.

Should you have any questions please feel free to send an inmate communication form to C. Toombs, OSP mailroom.
