Miscellaneous

Flu Season Again

It's that time of year again, flu and cold season. If you have any chronic conditions or would like to receive the flu vaccine, please submit an inmate communication. Those with chronic conditions such as diabetes, hypertension, Hep C, HIV, etcetera, please

be sure to add your health condition(s) on your inmate communication form. Flu vaccines will be administered first to those with chronic conditions named as priorities by the CDC. Once these have been administered, we will offer the vaccine on the first come first serve basis.

The best way to decrease your chance of catching the flu and cold viruses are to wash your hands before you eat or touch your face. If you end up becoming sick with the flu or cold virus, please be sure to cover your mouth when you cough or sneeze and wash, wash, wash your hands. Since cold and flu are viruses, antibiotics will not work.
