Please take a moment like to get involved in spreading awareness and education about Measure 11, which will help influence Measure 11 policy for 2019 and future Legislative sessions. Background about Measure 11 is included throughout the survey.

The ANONYMOUS survey takes 3-5 minutes to complete. We are targeting Oregonians 15 and older.

How to help:

- 1) ***Take the survey by entering the website link above (or below) on your phone or computer.***

➔ ****You can also scan the QR Code above using your phone's camera. Iphone automatically sends you to the link. For Android phones, download the QR Code app then scan the code.****
- 2) **SHARE the survey link through text and social media posts.** This is a very important strategy as it helps educate and reach people across the state of Oregon.
- 3) **Review the results** of the survey after completing it. See what other Oregonians believe about Measure 11 and youth justice after they are educated and better informed.
- 4) **Contact your local state Representative and Senator** to discuss youth justice and Measure 11. Communicate policy ideas you have using the survey as a guide. If you want Measure 11 repealed in order to return Oregon to a system of discretion by judges instead of automatic mandatory minimum sentencing, be clear with your state representative.
- 5) Reach out to me if you would like to get more involved. My email is bzolfaghari@portlandoic.org

Thank you for your support as we continue to shape the vision of justice Oregonians have, especially as it relates to youth.
