POSTAGE SCALES

Effective March 2018, The Department will be providing scales to the adult in custody population. The purpose of these scales is to provide AICs with a resource to ensure that they are utilizing the proper envelope with the appropriate amount of postage when mailing out letters and packages.

The location of the scales will be determined by each institutions Functional Unit Manager.

Postage charts will be placed by each scale that provides information regarding the available options, which are purchasable through the commissary.

Please note that the mailroom will not process letters and packages that have a CD-28 attached after April 1, 2018

CD-28s will be authorized to be attached to priority legal mail approved by and sent out through the legal libraries (approved CD-28s will be stamped with the legal priority stamp). See OAR 291-139-0110 (13) Priority Legal User.

**NATIONAL ASIAN & PACIFIC ISLANDER
HIV/AIDS AWARENESS DAY**

May 19th is national Asian & Pacific Islander HIV/AIDS awareness day. It was first observed in 2005.

The theme for the 2016 observance is "Saving face can't make you safe". Talk about HIV

Help end HIV stigma in the Asian & Pacific Islander Community. Being silent about HIV can contribute to HIV infections. HIV stigma hurts individuals and the community as a whole. People are discriminated against, disowned from families, and fired from jobs. But by understanding its cause and listening to others' experiences, we can help end HIV stigma through knowledge and action.

It all starts with talking about HIV and listening with compassion. The more knowledge you have about HIV stigma, the easier you can prevent it and help those who are living with HIV. Join us in empowering each other to build a healthier community.

We are all affected by HIV. You can stop HIV stigma by learning the facts, speaking up, and sharing our stories. Can you see yourself in this cycle?

**MEMORIAL DAY VS. VETERANS DAY:
WHAT'S THE DIFFERENCE?**

If you're not sure what the difference is between Memorial Day and Veterans Day, you're not alone. Here's what you need to know.

Memorial Day and Veterans Day are official public holidays across the United States. Both recognize those who served in the United States Armed Forces. But here are the key differences:

What the days honor

- **Memorial Day:** This is to honor military personnel who died in the service of their country, particularly those who died in battle or as a result of wounds sustained in battle, according to the U.S. Department of Veterans Affairs.
- **Veterans Day:** A holiday to remember everyone who served in the military, period, whether or not they served in wartime. When they're observed

- **Memorial Day:** the last Monday of May
- **Veterans Day:** November 11 of each year

How they're observed

- **Memorial Day:** Many people visit cemeteries and memorials, and volunteers often decorate the graves at national cemeteries with American flags, placing one on each grave. Many towns will hold parades, as well. A national moment of remembrance takes place at 3:00 p.m. local time.
- **Veterans Day:** Towns hold parades, churches schedule special services, and families come together to thank living veterans for their service and to remember all those who served. Don't miss these simple ways to continue honoring veterans even after these holidays have passed.

WHAT IS GOGI

GOGI is a culture.

Our students say they are now doing their time "The **GOGI** Way."
 When they return home, they continue their **GOGI** lifestyle with their families and friends.

GOGI offers a variety of books, courses, and media that can be studied alone or in groups. We've specifically designed our curricula so every single prisoner in every possible setting can study **GOGI** with minimal support.

- You are ready for a life style change
- Program created by Inmates all over the world
- Weekly meetings on Saturday Mornings from 8-9am

Our Mission

GOGI provides prisoners with tools for positive decision-making through an alternative prison culture created by and for prisoners, thereby empowering them to be the solution to the current prison problem.

Our Vision

WACKY WORDS

To solve these fun puzzles, look carefully at each form, because the arrangement of the letters is a key clue to the familiar phrase contained within. For example, if the word school were placed high up in the frame the answer would be *High school*. Or if the phrase "Easy Pieces" occurred five times in the frame, the answer would be *Five Easy Pieces*.
