Do you want to get a jump start on your future?

Well…come join us at GP Outreach and learn what the AIP can do for you! It’s never too late to sign up and never too late to plan for your future.

Be on the look out for the next round of G.P. Outreach Sign Up Sheets on your unit. If you miss the Sign Up Sheet please send a communication to Mr. Washington to be added to the list.

Here’s what a GP Outreach member has to say:

As I walked through life prior to my incarceration, I felt and acted like the world owed me something. I always took the easy way out and looked for any excuse to get out of having to work for anything. That way of thinking and the actions of using drugs and committing crimes got me a 235-month sentence.

My son was born one month into my incarceration. I’ve never been a part of his life. That has motivated me to do everything I can to get out as early as possible, to be able to build a relationship with him. However, I’ve learned that unless I change my old way of thinking and find the tools necessary to continue my recovery I’ll just come right back.

Before I was incarcerated, I had a sense of low self-worth, do to never having a father of my own. I’ve learned that I don’t need to wear that burden, that I’m a better man than he is. So, truly searching deep inside myself and wanting better for not only myself but, my family has really caused me to take a different approach on life. Just sitting in some cell or on some bunk somewhere wouldn’t have helped me take a true look at my life, like the AIP program has. Now I’m very thankful and blessed that I actually made the decision to come into the program. I’m now confident and excited the direction my life is headed. I am ready to live an honest and meaningful life.

Mr. John Westbrook
