Caseload Reset

Correctional Counselors' caseloads have been rearranged in order to better serve those most in need. These changes are necessary if the Oregon Department of Corrections (DOC) is to provide quality case management services to the adults in custody (AIC) most likely to reoffend as determined by their Automated Criminal Risk Score (ACRS).

ACRS is a statistical calculation developed by the DOC Research Unit to predict your risk of reoffending within three years of release. Your score is automatically calculated at Coffee Creek Intake Center (CCIC) and is based upon the following: age, earned time, revocations, sentence length, custody number, thefts committed, prior incarcerations, and person to person crimes. The score is recalculated whenever any of these items change. Another way to understand ACRS is to look at it from a percentage standpoint. The scores range from .01 to .99. If your ACRS is .15, then you have an estimated 15% chance of reoffending within three years of your release.

If DOC had the resources it needed, Institution Counselors would provide cognitive interventions through case management to all AICs who need it. Because DOC does not have the capacity to provide case management services to everyone, Counselors' caseloads have been adjusted to provide cognitive interventions to AICs most likely to reoffend.

Car & Bike Show - VIP

The July 13th Car & Bike Show will host VIP's; you must be incentive level 3 to qualify. VIP's receive the following:

1. Extra time at the show. VIP's can attend from 7:15 AM until 9:45 AM and again between 11:00 AM until 3:00 PM. Non VIP's will get half of the afternoon, so VIP's get a lot more time at the show to see the vehicles/bikes, get photo's and to visit with the guests.
2. Breakfast consisting of a banana, chocolate milk, 3-donuts, and yogurt.

Caseload Reset (cont.)

To make caseload sizes more manageable, DOC had to significantly adjust the ACRS cutoff score. Due to resource discrepancy across the institutions, the cutoff scores won't be consistent and are as follows:

SRCI, OSP, TRCI, EOCI

- .01 - .24 ACRS = Low Supervision
- .25 - ACRS and higher = High/Medium Supervision

OSCI

- .01 - .34 = Low Supervision
- .35 ACRS and higher = High/Medium Supervision

CRCI, DRCI, PRCF, SCCI, SCI, SRCI Minimum, TRCI Minimum

- .01 - .34 = Low Supervision
- .35 ACRS and higher = High/Medium Supervision

WCCF

- .01 - .39 = Low Supervision
- .40 ACRS and higher = High/Medium Supervision

MCCF, SFFC

- .01 - .49 = Low Supervision
- .50 ACRS and higher = High/Medium Supervision

CCCF, CCCM

- .01 - .19 = Low Supervision
- .20 ACRS and higher = High/Medium Supervision

Low Supervision:

If you are placed on a Low Supervision caseload (as determined by your institution), you will not meet with your Institution Counselor on a regular basis and will only be seen for emergencies or unusual circumstances. Any reporting will be through written communication. If you need an in-person meeting, you will need to provide specific details in your request.

Although you will not have regular contact with your Institution Counselor, your eligibility to attend programming offered by Pathfinders (group cognitive classes and parenting classes) and participate in our alcohol and drug treatment programs will not be impacted. Eligibility and placement into these programs remain the same.

High/Medium Supervision

If you are placed on a High/Medium Supervision caseload (as determined by your institution), you will meet with your Institution Counselor on a regular basis, working on your customized Behavior Change Plan and receive cognitive interventions from your counselor.

Each time you are transferred from one institution to another, you will receive an Intake Information Sheet and Contact/Resource List that provides information specific to that facility. You will also have the opportunity to ask questions at your institution's Admission and Orientation program for new arrivals to help you manage your affairs during your incarceration.

These changes will be implemented June 1, 2019, for male institutions and July 1, 2019, for women at CCCF.
