VISITING APPLICATIONS

From Ms. Stehle, CRU

Once you have submitted an application, whether it was hand written or on the kiosk, please do not keep re-submitting applications for the same visitor. The process for a visitor application can take up to 6 to 8 weeks. Once the visitor is approved or denied, you will receive notification of the application status. Submitting more than one application per visitor is not productive and will not speed up the process.

CCCM Sustainable Gardening Class Achievement

From Mr. Naugle, Sustainability Programs Manager and Rima Green, Growing Gardens/Lettuce Grow Director

The Sustainable Gardening Class in minimum finished July 9. The average score for the entire class was 96%. Two of the AIC students, Joyce Kendall and Linda Hald, received 100% on their certification test. The Coffee Creek class had the highest average score in the state correctional

system and the only AIC students to score 100% in the system. Great job!

Meet Local Author Marie Bostwick

From Ms. A Wheeler

Marie Bostwick was born and raised in the Northwest, a current Oregonian and author of several books written from her experiences living throughout the country. Coffee Creek has the privilege of receiving multiple copies of Mrs. Bostwick's 'Hope on the Inside', a powerful, heartwarming and thought provoking novel. The dedication page reads;

The book is dedicated to...
The Coffee Creek Quilters
who truly do bring hope to the inside
and without whom this book likely
would not have been written.

Marie Bostwick's novel is an example of original stigma – when those on the other side of the razor wire have preconceptions that inmates are much more different because of the choices they made in life. One of the main protagonists, Hope Carpenter, decides to teach crafts to inmates and discovers the similarities between them as they share stories of fears, failure and low self-esteem. Together they piece together a quilting project that will change all their lives forever.

Ms. Bostwick will be at Coffee Creek August 16th, 2019 to meet and discuss her book, Hope on the Inside.

It will be first come first serve for the sign up. Please be sure you read the book before the event.

Levels 2 & 3 only.

Minimum ladies in the Quilting Program are also invited.

You can find a copy of the book in the library "Local Writer's" section. Please watch your unit for sign-ups.

PREA INFORMATION

From DOC

It is normal for people who experience sexual abuse to feel overwhelmed and have a lot of questions about what their options are. It is also important to remember no one deserves to be sexually abused. It is not your fault. Surviving and healing is possible.

Inmates who have experienced sexual abuse may reach a community-based advocate by dialing "711" from the inmate telephone system. Community-based advocates provide survivors of sexual abuse information about their options, resources, information and emotional support. Calls to "711" are confidential and free of charge.

Advocates role

- Provide over-the-phone confidential support and crisis intervention related to sexual abuse
- Talk with a survivor about their current and ongoing safety
- Explain reporting options available through PREA
- Support survivor at a sexual assault forensic medical examination
- Support survivor at an investigatory interview related to sexual abuse, as requested
- Educate/teach survivor coping skills for healing from sexual abuse
- Provide resources and referrals
- Provide follow-up support

An advocate's role is

- Not make decisions or tell a survivor what to do
- Not tell a survivor whether or not to report
- Not investigate a crime
- Not provide legal advice
- Not be a survivor's friend
- Not provide therapy
- Not communicate with the institution unless the survivor requests them to do so and only with a signed limited release of information

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report the sexual abuse unless you request them to do so and if you sign a release of information.

Advocacy crisis lines are not a reporting hotline. If you wish to file a report, you may contact the Inspector General Hotline by dialing 9 on the inmate telephone system, writing an inmate communication, filing a grievance, or writing the Governor's Office at State Capitol, Room 160, 900 Court Street, Salem, OR 97301.

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters
3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

PREA Advocate Coordinator
Oregon Department of Corrections
2575 Center Street NE
Salem, OR 97301

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and is not to be used for other purposes. Contacting an advocate for anything other than services related directly to coping with sexual abuse takes away valuable resources for sexual assault survivors who need an advocate's help. Telephone calls and mail to community-based advocacy centers are considered privileged/confidential communication and will be handled similar to legal calls/official mail.

You may reach your community-based advocate by dialing "711" from the inmate telephone, dialing their direct crisis line number, or sending written correspondence.

Mistakes are a stepping stone to success. They are the path I must tread to achieve my dreams.

Post Release Marketing Support Job

Resident at CCCF under OCE is Access2online, a private-sector company. They train AICs to be analysts who can audit websites for accessibility to the disabled and remediate online PDF documents. Access2online is looking to hire a newly paroled AIC to provide marketing support.

This new hire would be a 1099 contractor, not a W-2 employee, working at a \$15/hr starting rate on tasks such as:

- * contacting government agencies to learn about their accessibility plans
- * arranging teleconferences involving the sales prospect and Access2online's CEO
- * helping write proposals, and
- * doing online research about other business development opportunities.

Prerequisites for this position are excellent communication skills, including clear business writing, and some sales or marketing experience in the business-to-business area. Accessibility and related technology are desirable but not required.

Interested AICs within no more than a few months of release are asked to kite their interest to Peter Shikli, CEO of Access2online, along with answers to the following in clear, printed English:

1) Describe a case study of a sales or marketing activity in which you had some role. Target 10 to 20 sentences.

2) Select one of the following target markets:

- a) correction departments of the various states
- b) insurance firms
- c) retirement communities
- d) the various state agencies in Nevada

and write a marketing plan overview of between 6 to 12 sentences about how you would promote a company like Access2online to the selected target market. Provide the specific steps you would take rather than a general concept.

Sustainability News

From: Green Team

The TACE Event ROCKED this last month as participating children streamed to the Sustainability Booths to plant Woolly Lamb's Ear, Echinacea (succulents), and other plants provided by the Gardening Crews. The Butterfly Lab Techs along with the Plantago Crew spread awareness with finger-painting butterflies and talking about the environmental work done to protect threatened Taylor's Checkerspot Butterflies in the Northwest. Working together with the Green Team, kids decorated little planters made from recycled materials to take home & plant directly into the ground. Time, water & growth decomposes the newspaper utilized to provide a typical compost for soil.

"Through A Child's Eyes" is sponsored by Wilsonville's Rotary Club. Volunteers showcased many exciting programs available at CCCF while Rotarians & other volunteers offered games, crafts, snacks, treats & prizes. Participating children & grandchildren were able to check out the Dog Program, Girl Scouts Behind Bars, take photos, learn about sustainability, and enjoy a fabulous BBQ meal with their relatives. The relaxed atmosphere was made possible thanks to our excellent DOC Staff working together with Wilsonville's Rotary Club, Physical Plant & other departments to make the yearly event happen! We thank everyone for your support to provide family connections in a safe and relaxed atmosphere!

Please continue to conserving natural resources & recycle, a global need we more vividly understand by watching news of one natural disaster after another. Let's do what we can for Water & Energy savings! We are still competing against the Men Correctional Facilities to see who can reduce their Energy & Water usage the most, let's take extra steps to shorten time with microwaves, televisions, lights, showers and more to help us beat the guys this summer. Thanks for all your hard work!

To learn more about Sustainability & the Environment, sign-up for future Roots of Success Classes. Check your calendars and coming Coffee Talks for the next start date and drop a kyte to Ms. Fitts/Green Team to get on the waiting list.

Weekend at the Movies

From: CRU

You may request any film be shown for a weekend movie; however, a film may only be shown as long as it meets the DOC's movie criteria as well as copyright rules (Swank).

Due to the volume of requests received, I am unable to respond and will be adding the movie requested to the list of movies that need to have eligibility determined.

Remember, there are several factors that have to be considered when selecting the movies, and these factors vary at each institution. This means that just because a movie was shown at another Institution it may not meet criteria to be shown here. The movie selection process is subject to change without notice.

I will try to ensure there is a combination of movie genre and release date for those being shown. Please remember that there are many residents here at Coffee Creek with many different tastes in movies.

At our services, we cover a variety of topics, from meditation, visualization, the power of prayer, the law of attraction, and much more. The idea of New Thought is that you already have all the answers with you, and we're there only to assist and support you in believing this for yourself, as the Power of God is one with you, and not separate from you.
