### Caseload Reset

Correctional Counselors' caseloads have been rearranged in order to better serve those most in need. These changes are necessary if the Oregon Department of Corrections (DOC) is to provide quality case management services to the adults in custody (AIC) most likely to reoffend as determined by their Automated Criminal Risk Score (ACRS).

ACRS is a statistical calculation developed by the DOC Research Unit to predict your risk of reoffending within three years of release. Your score is automatically calculated at Coffee Creek Intake Center (CCIC) and is based upon the following: age, earned time, revocations, sentence length, custody number, thefts committed, prior incarcerations, and person to person crimes. The score is recalculated whenever any of these items change. Another way to understand ACRS is to look at it from a percentage standpoint. The scores range from .01 to .99. If your ACRS is .15, then you have an estimated 15% chance of reoffending within three years of your release.

If DOC had the resources it needed, Institution Counselors would provide cognitive interventions through case management to all AICs who need it. Because DOC does not have the capacity to provide case management services to everyone, Counselors' caseloads have been adjusted to provide cognitive interventions to AICs most likely to reoffend.

To make caseload sizes more manageable, DOC had to significantly adjust the ACRS cutoff score. Due to resource discrepancy across the institutions, the cutoff scores won't be consistent and are as follows:

#### SRCI, OSP, TRCI, EOCI

.01 - .24 ACRS = Low Supervision

.25 - ACRS and higher = High/Medium Supervision

#### OSCI

.01 - .34 = Low Supervision

.35 ACRS and higher = High/Medium Supervision

#### CRCI, DRCI, PRCF, SCCI, SCI, SRCI Minimum, TRCI Minimum

.01 - .34 = Low Supervision

.35 ACRS and higher = High/Medium Supervision

#### WCCF

.01 - .39 = Low Supervision

#### MCCF, SFFC

.01 - .49 = Low Supervision

.50 ACRS and higher = High/Medium Supervision

#### CCCF, CCCM

.01 - .19 = Low Supervision

.20 ACRS and higher = High/Medium Supervision

Low Supervision:

If you are placed on a Low Supervision caseload (as determined by your institution), you will not meet with your Institution Counselor on a regular basis and will only be seen for emergencies or unusual circumstances. Any reporting will be through written communication. If you need an in-person meeting, you will need to provide specific details in your request.

Although you will not have regular contact with your Institution Counselor, your eligibility to attend programming offered by Pathfinders (group cognitive classes and parenting classes) and participate in our alcohol and drug treatment programs will not be impacted. Eligibility and placement into these programs remain the same.

High/Medium Supervision

If you are placed on a High/Medium Supervision caseload (as determined by your institution), you will meet with your Institution Counselor on a regular basis, working on your customized Behavior Change Plan and receive cognitive interventions from your counselor.

Each time you are transferred from one institution to another, you will receive an Intake Information Sheet and Contact/Resource List that provides information specific to that facility. You will also have the opportunity to ask questions at your institution's Admission and Orientation program for new arrivals to help you manage your affairs during your incarceration.

These changes will be implemented June 1, 2019, for male institutions and July 1, 2019, for women at CCCF.

Thank you,

CCM Central Office

## Incentive Dorm Update

Based on recent input and review of incentives offered for A Dorm housing, the following change is effective immediately:

- AICs assigned to A Dorm may wear their issued sweats within the dorm compound in housing and recreation areas.
- This means that sweats may now be worn in the same locations as where shorts are already allowed to be worn.
- This does not change any standards currently in place relating to work and programming assignment dress requirements.
- This update will be made to the Dress and Appearance section of the handbook.

Additional incentive enhancements are still being developed and will be announced when finalized. As we continue to expand on the incentives for A Dorm, please remember that behavior which does not meet the higher standards of housing in A Dorm can result in your removal from A Dorm.

## Incentive Level Overrides

SCCI offers incentive level overrides to inmates who have demonstrated that they can maintain clear conduct while at Level 2 at this institution.

The following is information about when inmates are eligible for override consideration.

### Incentive Level Override Minimum Standards:

- At Level 2 for at least 3 months.
- Housed at SCCI for a minimum of 3 months
- No Conduct Orders in the last 3 months
- No Misconduct Reports in the last 6 months
- No Program Failures in the last 3 months

If you meet all of these requirements, you may request an override by sending an inmate communication form to Ms. Paluch in Administration. Once the request for override is received, your history will be reviewed, and a determination will be made on your override status.

## Counselor Open Call Outs Tuesday

Open call out is every Tuesday from 1pm to 3pm for Counselors. Please wait to see the counselors after your unit has been called to canteen and you have picked up your canteen and returned it to your locker. If you are not getting canteen for the day you are welcome to come at any time. If you are waiting in line to see a Counselor and you leave that line to go to Canteen you will receive a Conduct Order for Unauthorized Area.

## **Prison Rape Elimination Act (PREA Information)**

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an inmate communication, through the grievance system, by calling the PREA hotline by dialing 9 from any inmate phone.

### **Filing an Anonymous PREA Report**

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Office of Constituent Services  
900 Court Street NE, Suite 160  
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

### **Community-Based PREA Advocacy (Support) Program**

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to inmates.

Inmates at ODOC who have experienced sexual abuse may reach a community-based advocate by dialing 711 inmate telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

Role of an Advocate:

- Provide confidential support and crisis intervention
- Inform you about the investigation and medical examination process
- Educate you about healing from sexual abuse
- Offer resources and referrals

Advocates will:

Not tell you what to do

Not communicate with the institution unless you request them to do so and sign a release

Not provide legal advice

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters  
3325 Wilshire Blvd., Suite 340  
Los Angeles, CA 90010

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail.

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

E. Sage, PREA Coordinator  
Oregon Department of Corrections  
2575 Center St.NE
