Summer Night Yard Procedures

Summer evening yard will begin March 29, 2020. **This will be a Sunday night.** The following procedures will be in effect for the duration:

1. AICs whose block has summer evening yard may go to yard at the 4:30 p.m. optional yard line or after their block is released for the evening meal, they may eat and then go directly to the yard.
2. NCI Level 3 AICs will be allowed to attend summer night yard, in their chow rotation. There will not be a special line movement from the housing units. They will enter the yard through the turnstile either directly from the housing unit when released for chow, or after completing their meal.
3. Any AIC's who returns to his housing unit from the dining room will not be permitted to go to the yard.
 - a. No turnouts will be run from the Recreation Yard. The only exception will be inmates on education turnouts. These AICs will be called off of the yard by the yard sergeant and they will exit the yard through Gate 3 and pass through the Security Gate. Once released

from the yard, they will immediately go to their callout destination.

4. AICs leaving the porch area of the Dining Room for the Recreation Yard will go to the yard and will not be permitted to loiter by the yard fence.
5. AICs who shower in the Clothing Room at 7:00 p.m. will be permitted to go to the yard after their shower; or go directly to the yard from work. AICs that return to their housing unit after showering may not be allowed to go to the yard.
6. A pill line is run after yard comes in, if yard comes in before 8:00 p.m. During long yard periods (lasting until **after** 8:00 p.m.) an optional cell line will be called at 7:30 p.m. AICs needing medication would come in with the optional cell line and **will** be allowed to return to the yard.
7. Showers on the yard will start at 6:00 p.m. and will stop 45 minutes before yard is recalled.
8. Ice and/or beverages cannot be taken off the yard. The OIC has latitude to make adjustments regarding ice during extreme weather.
9. Yard recall will be determined by the Office-in-Charge.
10. When the yard is recalled, all AICs will leave promptly and in an orderly manner. Equipment is called approximately 15 minutes prior to yard recall. Take this time to say your goodbyes on the telephone, to gather items and prepare to leave.
11. The Recreation Building, with the exception of the Card Room, will not be open during the evening yard regardless of the weather conditions. The Card Room will open at the conclusion of the evening meal.
12. During softball season, players and officials will normally be afforded 20 minutes to shower at the conclusion of a game. If the evening meal is running quickly, players may be called to dinner before being given time to shower. They will then be required to leave the yard **unless** it is their housing unit's normal night for evening yard.

Summer Night Yard Procedures (cont.)

13. NCI Level 1 AICs will be authorized to attend the evening weekend yard (Saturday and Sunday).
