COVID-19 Q&A

- Who has keys to the white wooden grievance boxes on Complex 1, Complex 2, and Complex 3?
 - There are only 2 individuals who have keys to the grievance boxes. They are Grievance Coordinator, Ms. Wiley and Grievance Office Specialist, Ms. Shoemaker. Please feel comfortable with placing all grievances, discrimination complaints, and grievance related keys in the white wooden grievance box located on each complex.
- Are housing units back to normal operations?
 - No. Housing units should still be on the split dayroom schedule. Much like the rest of the State of Oregon, phases are slow in order to prevent any spikes in COVID-19 cases. We know it's frustrating and we are all ready to get back to normal. Snake River is going to proceed with caution while following CDC recommended guidelines. At this time, SRCI still has zero confirmed cases of COVID-19.

If you are experiencing any COVID-19 symptoms, report them right away!

Update on 2-Year Visiting Renewals and Applications

Visitor Services has received several questions regarding 2-year renewals since the suspension of visitation, in response to the novel coronavirus (COVID-19). We continue to work to not only process visiting applications but provide customer service and regular maintenance of all visiting records for thousands of visitors throughout the state.

Per the visiting rule, if a visitor has not visited within the previous 2 years, the visitor will be automatically removed from the visiting list. In such an event, the visitor must submit a new application to be added to the list.

Now is a great time to submit visiting renewals for your friends and family. Submitting your renewal now will prevent your friends and family from needing to complete the full application process again, after a removal.

This is also a great time to submit your visiting applications. Waiting to submit applications until visitation has resumed could result in a delay. **Now is the time to get applications submitted.**

- Encourage family and friends to submit online applications (renewals can also be submitted online) .
- You may also submit applications directly to the Visitor and Volunteer Services Unit for processing.

We recognize the importance of family connections and are working hard to ensure applications are being processed in a timely manner.

J. Ferguson, Visitor and Volunteer Services Manager

Pandemic AIC Brief

DOC's Chief Financial Office recognizes this is a difficult time and wants to assure adults in custody that Financial Services staff (*Central Trust & Business Services*) are doing all they can to ensure all deposits, transfers, and CD28/CD28Ps are processed as timely as possible.

Centers for Disease Control and Prevention (CDC) recommended precautions are in place in U.S. Post Offices and throughout DOC. These precautions entail quarantining mail (including all internal shuttled mail) prior to being handled by staff. Therefore, as mail travels to and from both internal and external locations, DOC is quarantining mail for the required 24-hour period. This precautionary procedure will result in processing and response delays.

In addition to the delay in mail services, because of the Governor's directive for DOC staff to work from home when possible, many DOC staff are telecommuting. These staff are taking turns coming into the institutions daily to collect, process, mail, and deliver financial requests and communications. This too causes delays in processing.

Delays vary by location (*estimated 1-4 weeks*). AICs are encouraged to submit AIC communications electronically to address trust account-related questions and concerns.

We appreciate your patience during this time.
