### The Confederated Tribes of Grand Ronde Health & Wellness

Center is excited to tell you about a new program for Tribal Members: the Ye?lan Tilixam Haws. Translated into English, Ye?lan Tilixam Haws is an office that helps people. You are one of the people that we want to help!

If you are within 12-18 months of parole (or sooner), please contact Elaine Robertson at 9605 Grand Ronde Road, Grand Ronde, OR 97347 to sign up for our services.

We can help you to plan for a successful return to the community. No young boy or girl dreams of being a felon or a drug addict when they grow up. Let us help you find and work towards the goals of your younger self.

You can do it! Education, employment, housing, alcohol & drug classes, groups and activities are some of the things we can help with. Until we know your story, we will not know exactly what you may need.

Native folks experience a lot of "historical trauma". Did you know the trauma that your ancestors felt could have made physical changes to the DNA in your brain? Scientific data supports this fact. We also know that a good environment with lots of positive support can reverse those negative effects. The DNA repairs itself!

The ye?lan tilixam will work with you every step of the way to give you the support you need. While you may be referred to other Tribal programs, your ye?lan tilixam will remain by your side. This is a new approach! In the past, we would refer you to other Tribal programs and hope that you follow through. Now, we will provide you with a complete wrap-around service to increase your successes.

Ye?lan Tilixam Haws will help you to find a healthy, drug-free lifestyle upon your parole. You are a valued member of our community! Please join your Tribe in creating a healthy, drug-free community for our children, our Elders and our next generations. Haya Masi!
