Covid-19 Q&A

1. SRCI is in Tier 4 status. What does that mean?
 a. Tier 4 status means the entire institution is quarantined for 14 days. The only AIC transfers are for life saving measures, behavioral moves related to custody level changes (DSU/IMU releases), and those identified as vulnerable status. It also means that all symptomatic patients in the institution are tested for COVID-19. There will be symptom interviews conducted daily on all AICs and continue heightened staff screening. If any new cases are identified (Staff or AIC) the 14-day quarantine period starts over.

2. Can COVID-19 spread through food?
 COVID-19 is generally spread from person to person through respiratory droplets. According to the CDC, there is no evidence to support the transmission of COVID-19 through food preparation. Be sure to wash your hands for at least 20 seconds before and after eating. (CDC, 2020).

If you are experiencing COVID-19 symptoms, please report them immediately.
