Statewide Commissary News

We value our customers and will continue to work diligently to introduce new products, maintain a full inventory and offer a wide variety of products. Our vendors have also been working diligently to keep up with orders to ensure products are available to us. However, as the Covid pandemic continues, we are starting to see a few temporary manufacturer delays, such as some of the colored pencil options. We have not received notice of discontinuance of any products at this time, just some temporarily out of stock items due to slowed production.

Reminders:

Soda tickets will only be credited if an AIC has been transferred to a different facility. The AIC has 30 days from the date of transfer to submit an AIC communication form requesting a credit from the commissary where the soda tickets were purchased. You must include the unused soda ticket(s) and a receipt as proof of purchase. The receipt may not be more than 90 days old from the date of the request. Commissary will not issue credit for damaged tickets or issue credit if the soda machine takes your ticket without dispensing a soda. The use of the soda machine is at your own risk.

Your order will NOT be processed:	
If you have insufficient funds.	
If the form is soiled, stained and / or contaminated.	
If the writing is not legible.	
If it is not written in BLUE ink.	
If you have doodled or written notes on the form.	
If the form has been shaded or highlighted.	8.12.2020 sj
You are responsible for maintaining all your receipts and warranty information.	

COVID-19 Q&A

How can I reduce mask-related anxiety?

- Mindful breathing-breath through your nose and expend the belly not your chest.
- Desensitize yourself-try wearing your mask in your cell or on your bunk for short periods of time.
- Track your triggers-keep a log while wearing your mask to determine what triggers your mask-related anxiety.
- Positive self-talk-say something positive at least 20 times a day such as "No matter what happens, I will be ok." This can also boost your immune system!

What are the COVID-19 numbers for SRCI as of 8/17/2020?

- 179 AIC Positive Cases
- 62 Staff Positive Cases

Statewide Message - All Adults in Custody / Face Coverings

Effective Wednesday, August 12, 2020, all adults in custody are **required** to have a face covering with them any time they leave their cell or bunk area. A face covering will be worn when interacting with staff or others when 6 feet of social distance cannot be maintained. Adults in custody who refuse to wear a face covering will be given a daily fail if at a work site, or it will be handled through progressive discipline.

- ◆ Meals – Masks are not required while consuming food.
- ◆ Recreation – On recreation yards, if within 6 feet of someone, a face covering must be worn. If 6 feet of social distancing can be maintained, then the face covering can be removed.
- ◆ Work – At work sites, anyone within 6 feet of others refusing to wear a face covering after being reminded, will be issued a daily fail.
- ◆ Indoor work crews, such as call centers, will have plexiglass barriers installed if the work area does not allow for 6-foot distance in spacing.
- ◆ Outside work crews that allow for 6 feet of social distancing are able to remove their mask. Refusal to wear a mask while on an outside crew will not result in the crew being canceled; however, the adult in custody refusing will be issued a daily fail.
- ◆ Anyone within 6 feet of others who refuses to wear a face covering after being reminded will be handled with progressive discipline as authorized by the functional unit manager.
- ◆ Additional cloth masks will be provided to you. Do not modify these masks with writing or other changes, or they may be confiscated. DOC has recently enhanced face covering requirements for DOC staff as well. For both AICs and staff refusing to wear face coverings, discipline is possible.

There may be additional requirements for institutions at a heightened tier level or as directed by the functional unit manager.
