Statewide Message - All Adults in Custody / Face Coverings

Effective Wednesday, August 12, 2020, all adults in custody are **required** to have a face covering with them any time they leave their cell or bunk area. A face covering will be worn when interacting with staff or others when 6 feet of social distance cannot be maintained. Adults in custody who refuse to wear a face covering will be given a daily fail if at a work site, or it will be handled through progressive discipline.

- ◆ Meals – Masks are not required while consuming food.
- ◆ Recreation – On recreation yards, if within 6 feet of someone, a face covering must be worn. If 6 feet of social distancing can be maintained, then the face covering can be removed.
- ◆ Work – At work sites, anyone within 6 feet of others refusing to wear a face covering after being reminded, will be issued a daily fail.
- ◆ Indoor work crews, such as call centers, will have plexiglass barriers installed if the work area does not allow for 6-foot distance in spacing.
- ◆ Outside work crews that allow for 6 feet of social distancing are able to remove their mask. Refusal to wear a mask while on an outside crew will not result in the crew being canceled; however, the adult in custody refusing will be issued a daily fail.
- ◆ Anyone within 6 feet of others who refuses to wear a face covering after being reminded will be handled with progressive discipline as authorized by the functional unit manager.
- ◆ Additional cloth masks will be provided to you. Do not modify these masks with writing or other changes, or they may be confiscated. DOC has recently enhanced face covering requirements for DOC staff as well. For both AICs and staff refusing to wear face coverings, discipline is possible.

There may be additional requirements for institutions at a heightened tier level or as directed by the functional unit manager.

October Marriage Ceremonies Postponed

Message from the Administrator of Religious Services

Since March 12, 2020 the Oregon Department of Corrections has suspended visitation, including legal visits, to mitigate the threat of COVID19 entering our institutions. The health and safety of our employees and adults in custody is our top priority. With visitation and legal visits still suspended, the Religious Services Unit has made the decision to postpone the regularly scheduled October weddings.

Religious Services will remain flexible and may hold weddings during the end of this year or early 2021 if restrictions open up prior to April. If this occurs, announcements will be made to inform adults in custody and coordination with institutions will be finalized. Religious Services is planning on facilitating April 2021 weddings as scheduled in the event we cannot hold them sooner. We also need to remain flexible regarding April 2021 as we do not know what that will look like. When in doubt ask your institution chaplain.
