Court Ordered Financial Obligations

As the SRCI Business Office has received many inquiries regarding COFO's we wanted to provide clarification.

COFO's are not the same as County and US Courting filing fees. Examples of COFO's are: Restitution, fines, fees & child support.

Beginning July 2020 your Trust Account statement reflected all changes made to COF's OWED. This includes payments made directly to the OREGON Judicial Department (OJD) or court of record, to include payments made by friends and family, and court orders that have adjusted these amounts in any way. Any changes made to these amounts during the current month will show up on the next month's trust account statement.

The Department of Corrections does not have detailed information about these debts or how payments are applied as they are statutory collections made on behalf of OJD. You can submit questions regarding COFO debt details to:

Lifting of Restrictions

Loss of Privileges will be lifted as follows for the state observed Holiday – **Labor Day** starting at 8:00 am on Saturday, September 5, 2020 and ending at 10:00 pm on Monday, September 7, 2020.

- Level 1 **no lifting of holiday LOP**
- Level 2 lifting of LOP on actual holiday only
- Level 3 lifting of LOP for entire holiday weekend.

Privileges restricted by an Inmate Management Plan issued by the Security Threat Management Unit are not lifted during Holiday periods. These restrictions remain in effect and are enforced until the date specified on the Inmate Management Plan.

This does not restrict normal operations and progressive discipline, such as cell-ins or transfer to segregation for poor behavior that may be seen as a threat to others and/or the safety and security of the institution.

Several characters say this line in the original movie, but surprisingly not Obi-Wan Kenobi, who doesn't utter it until 2002's *Episode II: Attack of the Clones*.

October Marriage Ceremonies Postponed

Message from the Administrator of Religious Services

Since March 12, 2020 the Oregon Department of Corrections has suspended visitation, including legal visits, to mitigate the threat of COVID19 entering our institutions. The health and safety of our employees and adults in custody is our top priority. With visitation and legal visits still suspended, the Religious Services Unit has made the decision to postpone the regularly scheduled October weddings.

Religious Services will remain flexible and may hold weddings during the end of this year or early 2021 if restrictions open up prior to April. If this occurs, announcements will be made to inform adults in custody and coordination with institutions will be finalized. Religious Services is planning on facilitating April 2021 weddings as scheduled in the event we cannot hold them sooner. We also need to remain flexible regarding April 2021 as we do not know what that will look like. When in doubt ask your institution chaplain.
