## National One-Hit Wonder Day September 26, 2020

A one-hit wonder is any entity that achieves mainstream popularity, often for only one piece of work, and becomes known among the general public solely for that momentary success. The term is most commonly used in regard to music performers with only one hit single that overshadows their other work. Sometimes, artists dubbed "one-hit wonders" in a particular country have had great success in other countries. Music artists with subsequent popular albums and hit listings are typically not considered a one-hit wonder. One-hit wonders usually see their popularity decreasing after their hit listing and most often don't return to hit listings with other songs or albums.

## Court Ordered Financial Obligations

### Adults in Custody:

As a part of [ORS 423.105](#), Court Ordered Financial Obligations (COFOs) are now set to begin collecting on **October 1, 2020**. These collections were previously delayed to ease difficulties associated with the COVID-19 pandemic. COFO collections are mandated by Oregon state law, and as such the Department of Corrections (DOC) can no longer delay implementation.

Per statute, **15%** will be deducted from each eligible deposit\* and distributed as shown below.

**5%** is deposited into [Transitional Savings until the account reaches \\$500](#).

**10%** is collected for **Court Ordered Financial Obligations (COFOs)**.

Once the Transitional Savings account has reached \$500, the entire 15% will be collected for COFOs, until satisfied.

Once COFOs have been satisfied, AICs may choose to continue to deposit 5% from each eligible deposit into Transitional Savings.

Once both the Transitional Savings and the COFOs have been satisfied, no further court-ordered obligations will be deducted from eligible deposits.

\*Eligible deposits are moneys deposited in an AIC trust account including, but not limited to, AIC performance monetary awards (PRAS) and moneys received from an AIC's family members or friends. Eligible deposits do not include protected moneys.

DOC does not have detailed information about these debts, as they are statutory collections made on behalf of the Oregon Judicial Department (OJD). OJD has provided the below address where AICs may submit questions regarding COFO debt details directly.

Please note that the COFO balance on your monthly statement may change based on third party payments directly to OJD or further judgements assessed by your court of record. This updated amount is provided by OJD each month.

Please direct all other questions to Financial Services via the tablet electronic communication system, or via AIC paper communication.

**Again, COFOs are now scheduled to begin collecting on October 1, 2020.**
