BRIDGEWORKS PRESENTS

FEMINIST ICONS

Are you a feminist? Thrown like an accusation, posed as a test, or a curiosity, the question is asked as if the questioner seeks clarity: Can someone who looks like you, was raised like you, worships the way that you do, has your education, your way of speaking—can you *too* be a feminist? Can men be feminists? A companion workbook produced by Bridgeworks Oregon is available to anyone interested in enriched self-guided study, it provides questions (like the samples below) to prompt personal reflection and spark conversations. Send a kyte to Ms. Geddes to sign up for this 6-week film series.

Movie Night starts once a week in MPB beginning June 21, 2022

WEEK 1 | TED TALKS ON FEMINIST IDEAS

"We teach girls that they can have ambition, but not too much ... to be successful, but not too successful, or they'll threaten men." With this TED Talk, Adichie started a worldwide conversation about feminism and kicks off this collection of talks on the topic by a group of male and female leaders and thinkers who frame their ideas about feminism.

The four men present similar arguments for men adopting feminist ideas—did you find one perspective more compelling than an other? What resonated?

WEEK 2 | LITTLE WOMEN, novel written by **Louisa May Alcott** (1832-1888), **Greta Gerwig**, director (2019) The story is loosely based on Alcott's childhood experiences with her three sisters. Alcott was an abolitionist and a feminist and remained unmarried throughout her life. All her life she was active in such reform movements as temperance and women's suffrage. This recent film adaptation of *Little Women* by Greta Gerwig provides a view of those early roots of feminism.

"I am angry nearly every day of my life," Marmee says to Jo, reminding us the role of mother and wife may not be the storybook destination constructed for girls. Explore the way in which the role of mother puts constraints on women.

WEEK 3 | THE PHILADELPHIA STORY, **George Cukor**, director (1940)

Katherine Hepburn as Tracy Lord Haven ultimately transcends everything and everyone around her in order to orchestrate her own transformation in the film. Through the role she is able to wink self-referentially at her reputation as an erudite, and at times, condescending, Connecticut Yankee. Off-screen, Hepburn was instrumental in bringing this quasi-Pygmalion story to the screen, suggesting that, in spite of the patriarchal studio system, the veteran actress was able to hold her own—a force amidst the powerful men who surrounded her both on screen and off.

From her distinctive voice and carriage, her education, to the pants she wore (when most women wore dresses), Hepburn has been held up as a model female strength and independence. Why do you think she wanted to play Tracy Lord?

WEEK 4 | LOUISE BOURGEOIS: THE SPIDER, THE MISTRESS, AND THE TANGERINE

Marion Cajori and **Amei Wallach**, co-directors (2008)

In this documentary, the French artist Louise Bourgeois says: "It's difficult to be a woman—to be likable, it's a pain in the neck." As she moves through her studio, it is clear that she has let go of the immediate concerns of likability. She is not spelling out meaning for anyone. Making work; asserting her will over material; finding self knowledge through sculpture, these are the tasks at hand—gender be damned.

As she describes her childhood, do you feel a connection to what she is communicating in the work?

WEEK 5 | FREE ANGELA AND ALL POLITICAL PRISONERS, **Shola Lynch**, director (2013)

In this documentary about her life, Angela Davis challenges people who identify as feminists to think like abolitionists and fight for the deconstruction of institutions that have historically been violent to oppressed people. "What I want to argue is for a feminist perspective that understands that we cannot simply reform institutions like prison and the police, because they are so embedded with racism and violence that, if we're ever going to extricate ourselves from that, we have to abolish prisons," she said. "We have to abolish prisons as the dominant form of punishment and imagine different forms of security. And abolish the violence of the police apparatus as the primary mode of security today." • Apply Angela Davis's understanding of intersectionality to the feminist movement; now consider feminism in relationship to the conditions to incarceration. How does Davis extend your thinking?

WEEK 6 | RBG, **Betsy West** and **Julie Cohen**, co-directors (2018)

Supreme Court Justice Ginsburg sometimes said that tackling gender discrimination, case by case, was like "knitting a sweater," a phrase perhaps meant to disarm her opponents. The actual sweater should have been a constitutional amendment. Ginsburg advocated, vehemently, for the ratification of the Equal Rights Amendment, which had been passed by Congress in 1972; she argued that it looked "toward a legal system in which each person will be judged on individual merit and not on the basis of an unalterable trait of birth." This documentary gives a broad sense of her life and contributions.

• Ginsburg's success came in part from the support of her husband. How do we set our partners up for success?

THIS PROJECT IS SPONSORED BY GENEROUS FUNDING FROM OREGON HUMANITIES.

From the Office of Institutions Security Manager Rowley:

Recently, the State Fire Marshall's Office notified the Oregon Department of Corrections (ODOC) that the ODOC was in violation of "Excessive AIC Property." We, ODOC have been provided a deadline of July 1, 2022 to reduce excess AIC property in all our institutions **with no exception**. After this date, ODOC will be considered in violation and fines will be issued.

Our AIC property rule and the AIC handbook provide direct information on this subject. In general, this means is that "AIC property shall not exceed the capacity of storage space located in the AIC's assigned housing area as designated by the functional unit manager/designee." All canteen, letters, pictures, clothing and any other personal property must fit into the AIC's drawer and footlocker. Any work boots, hat, gloves and work attire, along with any treatment books, must be stored in their mud locker. Our Functional Unit Manager has authorized each AIC to have one pair of shower shoes, two pair of tennis shoes and one personal pair of boots on the floor under their assigned bunk. (This will be updated in the AIC Handbook very shortly.)

We have been directed that as of July 1, 2022, AIC's will be permitted to transfer on any ODOC Transport Vehicle with no more than two (2) containers maximum (storing personal property and/or legal work). At the time of transport, if an AIC exceeds the maximum property limits, they will be asked to send property home or discard/destroy any excess property.

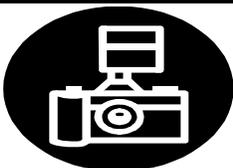

I have asked our Housing Unit Officers to begin working with you to collaboratively review your property and help you by answering your questions as we move through this process together. In the very near future, Lieutenant Clark and I will conduct an inspection with you of your bunk area and mud locker.

Very soon I will place a notice in your unit when you can expect our inspection. I also will be communicating with all of you through this newsletter to let you know how we are progressing and any other details that I learn in the meantime.

Thank you all for your cooperation with this important issue.

Respectfully,

Mr. Rowley

Notices & Updates

Salary increase with a GED

Well, it is no surprise that people who hold a GED diploma earn higher salaries than people who don't have the credential. The question is, how much more will you earn.

Research by the U.S. Bureau of Labor Statistics indicates that the salary increase is approximately 25% on average. That's quite something, right? So it seems that earning your GED credential is really rewarding!

If you would decide to continue your education even further, your salary will go up even higher. Some companies, such as Amazon, actively promote further education for their employees and are even paying for college tuition to enhance their workers' professional options!

Education Updates

FAFSA is available in July 2023. AICs are sending kytes requesting FAFSA and there are no forms or information for Education to give out. When July 2023 gets closer DOC Education Unit will send out updated information when it is available.

The next Corban Class is currently postponed due to Corban's request. It will not start in Fall, 2022. We are uncertain if it will begin in January 2023 or later.

Once we know when Corban would like to start their next class, we will advertise in the AIC newsletters and interested students can apply then. Corban Class is offered at OSCI.

IRS

For AIC's receiving letters from the IRS requesting calls to confirm your identity, the 1-800 has been added to CenturyLink/ICS call list so you can make those calls from your Housing Units. Please note that there may be a considerable wait time before you are able to speak with a representative with the IRS. ODOC staff will not be facilitating these calls for you.

I am pleased to announce to everyone the upcoming reintroduction of the dogs back into the recreation yard as it was before the pandemic. The goal of the Powder River Dog Program is to find abused or neglected dogs around our communities and bring them here to help them get back to a sense of normalcy and make them adoptable for future owners.

Starting **May 7th**, Mr. Haines (Volunteer) will be teaching the Dog Handlers on the safe & proper handling of the dogs as they walk around the recreation yard. Only “Green Harness” dogs who show no hostility will be allowed on the yard for 1 hour in the evenings.

AICs are allowed to pet the dogs, but they will need to ask the AIC handlers if it is okay as they know the demeanor of the dog by working with them daily. There will be no horseplay, scaring or grabbing of the dogs. Safety for everyone is a priority.

I believe having dogs walking the recreational yard will be good for everyone’s moral.

AIC Newsletter Article – 2022

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340

Artículo Boletín AIC – 2022

Ley de Eliminación de Violaciones en Prisión (Información PREA)

El Departamento Correccional de Oregon (ODOC) tiene cero tolerancias para el abuso sexual, el acoso sexual, y las represalias por denunciar un incidente. Puede informar en persona a cualquier miembro personal a través de una comunicación de AIC (adulto bajo custodia) o a través del sistema de quejas. Puede llamar a la línea directa de PREA, seleccionar el idioma y luego marcar 91 de cualquier teléfono de AIC.

Presentación de un informe PREA anónimo

Si no está seguro de presentar una acusación ante PREA, puede presentar un informe anónimo con una agencia externa.

Puede escribir a:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Por favor indique al comienzo de su carta, que está presentando una denuncia ante PREA y quiere permanecer anónimo. La Oficina del Gobernador remitirá todas las denuncias anónimas al Coordinador de PREA para garantizar que se complete una investigación basada en la información proporcionada.

Visualización/Anuncios de género opuesto

El personal del género opuesto se anunciará cuando ingresa a una unidad de vivienda, tocando un timbre. Esto debe hacerse cada vez que cambie el statu quo de la supervisión de género en una unidad de vivienda (si ya hay un miembro del personal del sexo opuesto en la unidad, entonces no es necesario volver a anunciar). Cuando escuche el timbre, el personal del sexo opuesto estará ingresando a la unidad de vivienda, así que asegúrese de estar cubierto adecuadamente.

También es importante que se desnude en los lugares apropiados. Si se encuentra en un área de literas, hay cámaras en toda la instalación. Existen áreas designadas para cambiarse, el baño es la única área en la que puede estar sin ropa interior. La visualización de sexo opuesto puede ocurrir incidentalmente cuando el personal realiza controles de celda de rutina. Puede minimizar esto siendo consciente del género de la supervisión en su unidad de vivienda y asegurándose de cubrirse cuando sea posible.

Programa de defensa (apoyo) basado en la comunidad PREA

ODOC se ha asociado con defensores confidenciales basados en la comunidad de víctimas de abuso sexual para brindar servicios a los AIC.

Los AIC en ODOC que han pasado por abuso sexual pueden comunicarse con un defensor comunitario seleccionando un idioma, ingresando su PIN de AIC, luego presionando 0*711 sistemas telefónicos. También pueden solicitar una llamada privada a través del Gerente de Cumplimiento de PREA en la instalación. Los defensores brindan a las víctimas de abuso sexual información sobre sus opciones, recursos, y apoyo emocional. No hay ningún cargo por las llamadas a los defensores.

La línea de crisis de defensa basada en la comunidad es para personas que necesitan ayuda acerca de los problemas relacionados con el abuso sexual y no debe usarse para otros fines.

Las llamadas telefónicas y el correo con los centros de defensa basados en la comunidad se consideran comunicaciones privilegiadas y se manejarán de manera similar a las llamadas legales/ correo oficial. Todas las llamadas de defensa no son monitoreadas ni grabadas.

Los defensores brindan apoyo confidencial e intervención en crisis, le informaran sobre la investigación y el proceso del examen médico, lo educaran sobre cómo curarse del abuso sexual y ofrecen recursos y referencias.

Los defensores no le dirán qué hacer, no se comunicarán con la institución a menos de que usted les solicite que lo hagan y firmen un comunicado. No le brindarán asesoramiento legal.

Los centros de defensa basados en la comunidad brindaran apoyo en caso de abuso sexual a personas de todos los géneros. Los defensores comunitarios no informarán a nadie a menos de que usted les solicite que lo hagan y si usted firma una divulgación de información.

La sede internacional de Just Detención (Just Detention International Headquarters) es un recurso de defensa nacional y se puede contactar en:

3325 Wilshire Blvd., Suite 340
