ATTENTION

YARD IMPROVEMENTS AND TRAFFIC

Please be aware of the recent efforts that our Physical Plant AICs and staff have made to improve the condition of our yard. We have applied two applications of fertilizer to the yard so far this year. We've also recently applied grass seed to the bare spots and trails through the yard. This is a friendly reminder to (AICs and Staff) that ALL traffic between units should remain to the sidewalks or paved areas. Shortcuts through the yard are not permitted. Please use progressive discipline to address this matter if necessary.

Thank you for your time and consideration.

From the Office of the Institution Security Manager:

As we continue with our journey with our “Oregon Way” practices here at PRCF, I recently met with representatives from each of our housing units and asked them to partner with our team to form the first ever AIC Council here at PRCF. There are several goals that we wish to accomplish with this council.

1. Continuation of normalizing and humanizing our correctional environment.
2. Eroding the Us vs Them mentality.
3. Working together and allowing AIC’s a voice in what types of humanization and normalization issues are effecting their environment and working together to find solutions to these issues.

Your council members are already hard at work helping our team put together a structured system that will allow us to meet on a quarterly basis. Also, they have been working together on how they will receive input from each of you in the population. As we speak, they are working on a form that will be used to bring ideas to them, and then they will prioritize and discuss your ideas as a group prior to bringing these ideas to our quarterly meetings.

I am super proud of this group already and the work they are doing, as well as the thought and care that they are putting into this work. They all want this program to succeed and are working to ensure that it becomes a piece of our long term foundation here at PRCF. I would ask that you work with your specific housing unit representative if you have ideas that may help humanize and normalize our environment. Be prepared to have a solution to your idea.

Lastly, take the time to thank your representative as this is a volunteer position and they are giving up their own time and effort to help us make our environment a better place to live and work.

Respectfully.

Mr. Rowley

SUBJECT: Commissary News, Updates and Reminders

News:

Commissary has been working diligently with our vendor to renegotiate the price increase of the soda coupons. We were successful in our negotiations; the new price of the soda coupons is \$ 2.15 effective immediately. Thank you for your patience and understanding as we worked through the process.

In addition, Commissary has been thinking outside the box on special order items, more specifically electric guitars. There is a 6 – 9 months wait on guitar orders so about 6 months ago we decided to stock guitars and are excited to announce we have finally received a limited number of Schechter Guitar packages. They will be available for purchase on a first come first serve basis throughout the state.

We have several more guitars on order but do not have an estimated time of arrival. A newsletter article will be sent out once we have those addition items in stock.

Date: July 14, 2022
To: All Adults in Custody
From: DOC Correctional Services Division
Subject: AIC Letters for Clemency Applications and Parole Board Hearings

DOC has a process for providing adults in custody (AICs) with a letter for their clemency application or Parole Board hearing. Individual DOC staff or contractors do not write letters for AICs. Instead, through DOC's statewide letter process, staff feedback and information from all the program areas is collected and put into a single letter documenting program and conduct history. For those not working with an attorney, institution staff/contractors are the starting point for requesting a DOC letter. These are the basic steps:

1. AICs must first submit their request for clemency to the governor's office or be scheduled for a parole hearing.
2. AICs may then request a letter from DOC through an institution staff person or a contractor.
3. If the DOC staff person or contractor believes the request should be supported by DOC, they will request a letter through Correctional Services.
4. Correctional Services will check history for clear conduct.
5. If DOC determines it will proceed with a letter, DOC work and programs staff and their counselor will be contacted for input for the letter.
6. If DOC moves forward, a letter will be prepared for the Assistant Director of Correctional Services' signature, and it will be sent to the governor's office or Board of Parole, as appropriate.

DOC's letters do not indicate support for an early release, speculate on how an AIC will do on the outside, or include character evaluation statements. Instead, they focus on quantifiable program participation, work participation and advancement, and other observable facts.

Para: Todos los Adultos en Custodia
De: DOC Correctional Services Division
Tema: AIC Cartas para aplicación de Clemencia y Audiencia de la junta de libertad Condicional
DOC tiene un proceso para proporcionar Adultos en Custodia (AICs) con una carta para su aplicación de Clemencia oh Audiencia de la junta de libertad Condicional. Personal individual de DOC oh Contratistas no escriben las cartas para los AICs. En cambio, a través de DOC 's proceso de carta a nivel estatal, las notas del personal eh información de toda el área de programas es coleccionado y puesto en una sola carta documentando programas e historial de conducta. Para aquellos que están trabajando con un abogado, personal de la institución y contratistas son el punto de partida para solicitar una carta de DOC. Estos son los pasos básicos:

AICs deben primero enviar su solicitud para Clemencia a la oficina del Gobernador oh ser programado a una audiencia de libertad condicional.

AICs después pueden solicitar una carta de DOC a través de un personal de la institución oh contratista.

Servicios correccionales revisara la historia para conducta clara.

Si DOC determina que procederá con una carta, personal de trabajo y programas de DOC y sus consejeros serán contactados para su aporte en las cartas.

Si DOC avanza, una carta será preparada para la firma del Subgerente de Servicios Correccionales, y será enviado a la oficina del Gobernador oh a la Audiencia de la junta de libertad Condicional.

Las cartas de DOC no indican apoyo para una liberación temprana, especular en como un AIC servirá afuera, oh incluirá declaración de evaluación de personaje. En lugar, se enfocan en participación cuantificable en programas, participación laboral y avance, y otros hechos observables.

From the Office of Institutions Security Manager Rowley:

In the past month, we have worked together with you to meet the State Fire Marshals expectations for “Excessive Property” in our facilities throughout the Department of Corrections. We were given a deadline of July 1, 2022, to meet these requirements. I know this was challenging to some of you, and I appreciate your efforts to find ways to help us meet this expectation. It took some work, but I am happy to report to you that with your help and cooperation we here at PRCF have met the challenge and as of today we are in COMPLIANCE.

Our bigger challenge is working together to remain in compliance from here on out. Again, I ask that if your property cannot fit into your drawer under your bunk and/or your footlocker, please be accountable to yourself and do a personal property reduction—do not wait for the Housing Unit Officer to tell you that you need to reduce your property. Please remember... Transport has been given specific instruction to NOT transport any excessive property.

I greatly appreciate your cooperation as we all work through this important issue.

Respectfully,

Mr. Rowley

BRIDGEWORKS PRESENTS

FEMINIST ICONS

Are you a feminist? Thrown like an accusation, posed as a test, or a curiosity, the question is asked as if the questioner seeks clarity: Can someone who looks like you, was raised like you, worships the way that you do, has your education, your way of speaking—can you *too* be a feminist? Can men be feminists? A companion workbook produced by Bridgeworks Oregon is available to anyone interested in enriched self-guided study, it provides questions (like the samples below) to prompt personal reflection and spark conversations. Send a kite to Ms. Geddes to sign up for this 6-week film series.

Movie Night starts once a week in MPB beginning June 21, 2022

WEEK 1 | TED TALKS ON FEMINIST IDEAS

"We teach girls that they can have ambition, but not too much ... to be successful, but not too successful, or they'll threaten men." With this TED Talk, Adichie started a worldwide conversation about feminism and kicks off this collection of talks on the topic by a group of male and female leaders and thinkers who frame their ideas about feminism.

The four men present similar arguments for men adopting feminist ideas—did you find one perspective more compelling than an other? What resonated?

WEEK 2 | LITTLE WOMEN, novel written by **Louisa May Alcott** (1832-1888), **Greta Gerwig**, director (2019) The story is loosely based on Alcott's childhood experiences with her three sisters. Alcott was an abolitionist and a feminist and remained unmarried throughout her life. All her life she was active in such reform movements as temperance and women's suffrage. This recent film adaptation of *Little Women* by Greta Gerwig provides a view of those early roots of feminism.

"I am angry nearly every day of my life," Marmee says to Jo, reminding us the role of mother and wife may not be the storybook destination constructed for girls. Explore the way in which the role of mother puts constraints on women.

WEEK 3 | THE PHILADELPHIA STORY, **George Cukor**, director (1940)

Katherine Hepburn as Tracy Lord Haven ultimately transcends everything and everyone around her in order to orchestrate her own transformation in the film. Through the role she is able to wink self-referentially at her reputation as an erudite, and at times, condescending, Connecticut Yankee. Off-screen, Hepburn was instrumental in bringing this quasi-Pygmalion story to the screen, suggesting that, in spite of the patriarchal studio system, the veteran actress was able to hold her own—a force amidst the powerful men who surrounded her both on screen and off.

From her distinctive voice and carriage, her education, to the pants she wore (when most women wore dresses), Hepburn has been held up as a model female strength and independence. Why do you think she wanted to play Tracy Lord?

WEEK 4 | LOUISE BOURGEOIS: THE SPIDER, THE MISTRESS, AND THE TANGERINE

Marion Cajori and **Amei Wallach**, co-directors (2008)

In this documentary, the French artist Louise Bourgeois says: "It's difficult to be a woman—to be likable, it's a pain in the neck." As she moves through her studio, it is clear that she has let go of the immediate concerns of likability. She is not spelling out meaning for anyone. Making work; asserting her will over material; finding self knowledge through sculpture, these are the tasks at hand—gender be damned.

As she describes her childhood, do you feel a connection to what she is communicating in the work?

WEEK 5 | FREE ANGELA AND ALL POLITICAL PRISONERS, **Shola Lynch**, director (2013)

In this documentary about her life, Angela Davis challenges people who identify as feminists to think like abolitionists and fight for the deconstruction of institutions that have historically been violent to oppressed people. "What I want to argue is for a feminist perspective that understands that we cannot simply reform institutions like prison and the police, because they are so embedded with racism and violence that, if we're ever going to extricate ourselves from that, we have to abolish prisons," she said. "We have to abolish prisons as the dominant form of punishment and imagine different forms of security. And abolish the violence of the police apparatus as the primary mode of security today." • Apply Angela Davis's understanding of intersectionality to the feminist movement; now consider feminism in relationship to the conditions to incarceration. How does Davis extend your thinking?

WEEK 6 | RBG, **Betsy West** and **Julie Cohen**, co-directors (2018)

Supreme Court Justice Ginsburg sometimes said that tackling gender discrimination, case by case, was like "knitting a sweater," a phrase perhaps meant to disarm her opponents. The actual sweater should have been a constitutional amendment. Ginsburg advocated, vehemently, for the ratification of the Equal Rights Amendment, which had been passed by Congress in 1972; she argued that it looked "toward a legal system in which each person will be judged on individual merit and not on the basis of an unalterable trait of birth." This documentary gives a broad sense of her life and contributions.

• Ginsburg's success came in part from the support of her husband. How do we set our partners up for success?

THIS PROJECT IS SPONSORED BY GENEROUS FUNDING FROM OREGON HUMANITIES.

AIC Newsletter Article – 2022

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Artículo Boletín AIC – 2022

Ley de Eliminación de Violaciones en Prisión (Información PREA)

El Departamento Correccional de Oregon (ODOC) tiene cero tolerancias para el abuso sexual, el acoso sexual, y las represalias por denunciar un incidente. Puede informar en persona a cualquier miembro personal a través de una comunicación de AIC (adulto bajo custodia) o a través del sistema de quejas. Puede llamar a la línea directa de PREA, seleccionar el idioma y luego marcar 91 de cualquier teléfono de AIC.

Presentación de un informe PREA anónimo

Si no está seguro de presentar una acusación ante PREA, puede presentar un informe anónimo con una agencia externa.

Puede escribir a:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Por favor indique al comienzo de su carta, que está presentando una denuncia ante PREA y quiere permanecer anónimo. La Oficina del Gobernador remitirá todas las denuncias anónimas al Coordinador de PREA para garantizar que se complete una investigación basada en la información proporcionada.

Visualización/Anuncios de género opuesto

El personal del género opuesto se anunciará cuando ingresa a una unidad de vivienda, tocando un timbre. Esto debe hacerse cada vez que cambie el statu quo de la supervisión de género en una unidad de vivienda (si ya hay un miembro del personal del sexo opuesto en la unidad, entonces no es necesario volver a anunciar). Cuando escuche el timbre, el personal del sexo opuesto estará ingresando a la unidad de vivienda, así que asegúrese de estar cubierto adecuadamente.

También es importante que se desnude en los lugares apropiados. Si se encuentra en un área de literas, hay cámaras en toda la instalación. Existen áreas designadas para cambiarse, el baño es la única área en la que puede estar sin ropa interior. La visualización de sexo opuesto puede ocurrir incidentalmente cuando el personal realiza controles de celda de rutina. Puede minimizar esto siendo consciente del género de la supervisión en su unidad de vivienda y asegurándose de cubrirse cuando sea posible.

Programa de defensa (apoyo) basado en la comunidad PREA

ODOC se ha asociado con defensores confidenciales basados en la comunidad de víctimas de abuso sexual para brindar servicios a los AIC.

Los AIC en ODOC que han pasado por abuso sexual pueden comunicarse con un defensor comunitario seleccionando un idioma, ingresando su PIN de AIC, luego presionando 0*711 sistemas telefónicos. También pueden solicitar una llamada privada a través del Gerente de Cumplimiento de PREA en la instalación. Los defensores brindan a las víctimas de abuso sexual información sobre sus opciones, recursos, y apoyo emocional. No hay ningún cargo por las llamadas a los defensores.

La línea de crisis de defensa basada en la comunidad es para personas que necesitan ayuda acerca de los problemas relacionados con el abuso sexual y no debe usarse para otros fines.

Las llamadas telefónicas y el correo con los centros de defensa basados en la comunidad se consideran comunicaciones privilegiadas y se manejarán de manera similar a las llamadas legales/ correo oficial. Todas las llamadas de defensa no son monitoreadas ni grabadas.

Los defensores brindan apoyo confidencial e intervención en crisis, le informaran sobre la investigación y el proceso del examen médico, lo educaran sobre cómo curarse del abuso sexual y ofrecen recursos y referencias.

Los defensores no le dirán qué hacer, no se comunicarán con la institución a menos de que usted les solicite que lo hagan y firmen un comunicado. No le brindarán asesoramiento legal.

Los centros de defensa basados en la comunidad brindaran apoyo en caso de abuso sexual a personas de todos los géneros. Los defensores comunitarios no informarán a nadie a menos de que usted les solicite que lo hagan y si usted firma una divulgación de información.
