FROM THE ADMINISTRATIVE RULES PROGRAM:

BELOW IS THE LIST OF STATUS CHANGES MADE TO DOC ADMINISTRATIVE RULES SINCE 1/1/2023.

PROPOSED RULES:

291-009 Tours

Amends rule to update the term used to refer to adults in custody, remove gendered language, remove designee for tour approvals, and update those interested groups and individuals that may be allowed tours.

291-052 Transfers and Responsibilities Between Oregon Youth Authority and Department of Corrections

Amends rule to confirm that transfers to youth correction facilities must be authorized under and consistent with applicable state statutes and include changes in terminology and other technical corrections.

291-069 Security Threat Management

Amends rule to increase the number of days allowed for temporary segregation; change the term "inmate" to "adult in custody" to incorporate the new statutory term for individuals incarcerated in DOC institutions; and modify the identification of AICs assigned to the STM caseload. With the modification of criteria for placement onto an STM caseload, monitoring of AICs who are the top two percent affiliated with serious institution misconduct is increased.

Public Hearing: 4/27/2023 at 2:00PM - 2:30PM

291-077 Performance Recognition and Award System

Amends rule to adjust the PRAS matrix creating a more even point spread in the first three levels; add two more levels to reduce the chance of "maxing out"; and include an overall 25 percent increase in the dollar value of each level of the PRAS matrix to counteract the effects of the consumer price index and the impact this had on canteen increases.

PERMANENT RULES:

291-117 Personal Property (AIC)

Amends rule to reflect current department policy and practice and to remove gender-based language. More specifically, it is the department's current policy and practice that AICs are authorized to possess certain cosmetic appliances as personal property irrespective of AIC gender, but only at specific Department of Corrections facilities that the department has authorized for personal possession and use of cosmetic appliances based on facility infrastructure or physical plant design and capacity considerations.

291-121 Handiwork (AIC)

Repeals rule to replace it with the Learning Entrepreneurship, Arts, and Production (LEAP) rule in order to allow for a broader range of Adults in Custody (AICs) to participate in entrepreneurial programs. The Handiwork OAR 291-121 is outdated and does not allow for the Department of Corrections to expand AIC entrepreneurial craft type of sales to other locations.

291-124 Health Services

Amends rule to establish circumstances in which the Department of Corrections will provide medically acceptable durable medical equipment (eyeglasses, medical prostheses, and hearing aids) at state expense, to adults in custody, and procedures concerning the provision of repair and maintenance of that equipment; to provide clarification that the free copy of medical records for AIC aren't subject to the same timeframes as public records requests; and to change the name of the Medication Assisted Treatment program (MAT) to Medications for Opioid Use Disorder (MOUD) and remove reference to "pilot".

291-172 LEAP

Adopts rule to provide guidelines for a program allowing adults in custody to constructively use non-programming time to engage in a positive learning experience with the possibility to earn funds for use during incarceration or after release. This rule OAR 291-172 LEAP will replace OAR 291-121 Handiwork (AIC), which will be repealed. OAR 291-121 Handiwork (AIC) is outdated and does not allow for the Department of Corrections to expand AIC entrepreneurial craft type of sales to other locations.
