OREGON DEPARTMENT OF CORRECTIONS

The Department of Corrections (DOC) recognizes the importance of family connections during incarceration and we are working to ensure visiting applications are being processed in a timely manner.

Visiting Services remains open and is working hard to process visiting applications for you and your loved ones – including regular caseload maintenance and renewals.

Waiting to submit an application until the last minute could result in a delay. Now is the time to get these submitted.

- Encourage family and friends to submit applications online – the form is available on DOC's website.
- You may also submit applications directly to Visitor Services using:
DOC.Visitors@doc.oregon.gov

All visitors must ensure they are on the adult in custody's (AIC's) approved visitors list **before** scheduling an in-person visit.

While the online system allows for scheduling regardless of visitor status, the visit will be denied at the institution if the visitor is not approved. Check with your incarcerated loved one to ensure your visiting status is up to date.

Please visit DOC's website at: (available 24/7) for the most accurate and up-to-date information on institution visiting: <https://www.oregon.gov/doc>

This website link <https://www.oregon.gov/doc/visiting> takes you directly to the Visiting section with information on:

- Visiting requirements and restrictions.
- A quick visiting checklist – what to bring and what to leave at home or in a facility locker; and
- Anti-drug smuggling information.

The site also has links to the following specifics: ~~deleted comment in this section~~

- How to become a visitor
- Visiting guidelines
- Arriving at the facility
- Visiting hours
- Visiting alerts

IMPORTANT NOTE: We are NOT processing any Administrative Review requests at this time. Updates will be shared once Visiting Services reengages with these requests.

Law Library-Change in Call Out Codes

In an effort to fully schedule law library resources, such as computers, Law Library is changing how we enter call outs. For call outs entered on or after May 1, 2023, all call outs for legal appointments (with the exception of attorney calls) will now have a Section code of "LAW".

The Location code will indicate what your law library appointment is for. Below is a list of location abbreviations and their meanings:

Abbreviation in Location Field	Meaning of Abbreviation
DR	Desk Research
TC	Research/Word Processing
LA	Legal Assistant
MO	Mail Out
N	Notary
F	Forms
A/V	Review CDs of discovery
C	Copies
Box	Legal Boxes
MISC	Miscellaneous
MU	Make Up (will have service scheduled following. For example: MU, MO, C)

Note: At this time, no changes to how call outs are entered for staff scheduled calls between AIC and attorney will be made.

Legal Library Closure - week of May 2nd to May 5th

Legal libraries will be closed across the state for all-staff training during the first week of May. Annual training allows us to keep Library Coordinators up-to-date and increase the quality of services provided within institutions and to AICs. We appreciate your understanding and look forward to resuming regular services after this event.

Please plan to make law library requests around these closures. If you have a deadline during this time, please plan to have all work completed prior as we will be unable to provide services during our planned closure.

PRCF Library will be closed Tuesday, May 2nd through Friday, May 5th.
Attorney calls will continue to be scheduled.

From the Administrative Rules Program:

Below is the list of status changes made to DOC administrative rules since 3/13/2023.

PROPOSED RULES:

291-009 Tours

- Amends rule to update the term used to refer to adults in custody, remove gendered language, remove designee for tour approvals, and update those interested groups and individuals that may be allowed tours.

291-052 Transfers and Responsibilities Between Oregon Youth Authority and Department of Corrections

- Amends rule to confirm that transfers to youth correction facilities must be authorized under and consistent with applicable state statutes and include changes in terminology and other technical corrections.

291-069 Security Threat Management

- Amends rule to increase the number of days allowed for temporary segregation; change the term "inmate" to "adult in custody" to incorporate the new statutory term for individuals incarcerated in DOC institutions; and modify the identification of AICs assigned to the STM caseload. With the modification of criteria for placement onto an STM caseload, monitoring of AICs who are the top two percent affiliated with serious institution misconduct is increased.

- Public Hearing: 4/27/2023 at 2:00PM - 2:30PM

291-077 Performance Recognition and Award System

- Amends rule to adjust the PRAS matrix creating a more even point spread in the first three levels; add two more levels to reduce the chance of "maxing out"; and include an overall 25 percent increase in the dollar value of each level of the PRAS matrix to counteract the effects of the consumer price index and the impact this had on canteen increases.

291-105 Prohibited Conduct and Processing Disciplinary Actions

- Amends rule to permanently adopt changes to the rule that were temporarily adopted on 1/1/2023 reducing the maximum consecutive sanction to DSU from 180 days to 90 days; for minor grammatical changes; and for consistency.

- Last day of comment period: 5/19/23 5:00 PM

- Public Hearing: 4/27/23 10:30 AM

291-113 Education and Training Programs

- Amends rule to align with current practice; change "inmate" to "AIC"; and for other minor grammatical revisions, clarifications, and consistency.

- Last day of comment period: 5/19/23 5:00 PM

PERMANENT RULES:

291-117 Personal Property (AIC)

- Amends rule to reflect current department policy and practice and to remove gender-based language. More specifically, it is the department's current policy and practice that AICs are authorized to possess certain cosmetic appliances as personal property irrespective of AIC gender, but only at specific Department of Corrections facilities that the department has authorized for personal possession and use of cosmetic appliances based on facility infrastructure or physical plant design and capacity considerations.

291-121 Handiwork (AIC)

- Repeals rule to replace it with the Learning Entrepreneurship, Arts, and Production (LEAP) rule in order to allow for a broader range of Adults in Custody (AICs) to participate in entrepreneurial programs. The Handiwork OAR 291-121 is outdated and does not allow for the Department of Corrections to expand AIC entrepreneurial craft type of sales to other locations.

291-124 Health Services

- Amends rule to establish circumstances in which the Department of Corrections will provide medically acceptable durable medical equipment (eyeglasses, medical prostheses, and hearing aids) at state expense, to adults in custody, and procedures concerning the provision of repair and maintenance of that equipment; to provide clarification that the free copy of medical records for AIC aren't subject to the same timeframes as public records requests; and to change the name of the Medication Assisted Treatment program (MAT) to Medications for Opioid Use Disorder (MOUD) and remove reference to "pilot".

291-172 LEAP

- Adopts rule to provide guidelines for a program allowing adults in custody to constructively use non-programming time to engage in a positive learning experience with the possibility to earn funds for use during incarceration or after release. This rule OAR 291-172 LEAP will replace OAR 291-121 Handiwork (AIC), which will be repealed. OAR 291-121 Handiwork (AIC) is outdated and does not allow for the Department of Corrections to expand AIC entrepreneurial craft type of sales to other locations.

Mindfulness

Have you ever sat on the edge of a lake, the sun's warmth beaming on your face? Its quiet, with only the sound of the water rippling against the rocky shore. You gaze out across the horizon, rays of light waltz across the glassy distance. Your mind is quiet, your heart is content. Peace fills your soul.

Reading this, how do the words make you feel? What visions come to mind? Being mindful is about deliberate presence. It is acknowledging the moment—nothing past, nothing future, only what is taking place in the here and now. It is noticing the details, the sounds, the smells, the little things that bring us joy.

How do you practice mindfulness? Close your eyes; be present in the moment. Contemplate what brings you joy. At the end of your day, make a list of those thoughts that came to light and the emotions surrounding those thoughts. This list can be a valuable tool in creating a positive mindset. Remember, sometimes the little things in life mean the most.

COVID-19 Vaccine and Booster Dose Update – April 2023

The COVID-19 virus is still present in our institutions and communities, and vaccines continue to be the safest and most effective way to protect from COVID-19 infection. The Food and Drug Administration (FDA) has released new guidelines on COVID-19 vaccine protocol. Health Services will be compiling a list of individuals who are eligible for a booster dose and will hold vaccination clinics for individuals who meet the criteria as established by the Food and Drug Administration.

If you are not yet vaccinated and would like to be, please contact Health Services. If you do not wish to be vaccinated, or receive boosters, you can opt-out.

What you need to know:

- At this stage of the pandemic, the FDA is simplifying the use of the authorized single **mRNA bivalent** COVID-19 vaccines (the monovalent mRNA vaccines are no longer being used).
- Most unvaccinated individuals may receive a single dose of a bivalent vaccine, rather than multiple doses of the original monovalent mRNA vaccines.
- Most individuals who have already received a single dose of the bivalent vaccine are not currently eligible for another dose.
- Individuals 65 years of age and older who have received a single dose of a bivalent vaccine may receive one additional dose at least four months following their initial bivalent dose.
- Most individuals with certain kinds of immunocompromise who have received a bivalent COVID19 vaccine may receive a single additional dose of a bivalent COVID-19 vaccine at least 2 months following a dose of a bivalent COVID-19 vaccine.
- Health Services is compiling a list of individuals eligible for a second dose.

If you have questions, please contact Health Services.

HEALTH SERVICES

WHAT TO EXPECT

HAZARDOUS MEDICINE

Health Services would like to inform you of changes we are making to the way we provide certain medicine.

Some medicines need special handling because they can harm the person giving them. These are called “hazardous medicines.”

Studies have found that healthcare staff who are exposed to these medicines can have side effects from them.

Healthcare staff can protect themselves by wearing protective garments when handling these medicines.

You may see healthcare staff wearing gloves, gowns, or face masks. This is to help limit their contact with hazardous medicines.

Some staff may wear more protective garments than others. This could be due to the type of medicine they are handling or how they are giving it. Not all hazardous medications carry the same risk. It could also just be their personal preference!

If you are taking a hazardous medicine, you will no longer be able to keep it in your cell. This is to help limit exposure to others, not because you have done anything wrong.

Q: IS IT SAFE FOR ME TO TAKE A HAZARDOUS MEDICINE?

A: People take a hazardous medicine when there are more benefits from the medicine than there are risks. One example of a hazardous medication is

chemotherapy. Chemotherapy is a medicine that is strong enough to kill cancer cells. It can save the life of a person who has cancer. But, because it is so strong, it can also hurt healthcare staff who handle it. By wearing protective garments, staff can make sure they are healthy enough to keep caring for their patients!

Please talk to your doctor or send a kyte to the pharmacy if you have more questions about hazardous medicine.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340
