OREGON DEPARTMENT OF CORRECTIONS

The Department of Corrections (DOC) recognizes the importance of family connections during incarceration and we are working to ensure visiting applications are being processed in a timely manner.

Visiting Services remains open and is working hard to process visiting applications for you and your loved ones – including regular caseload maintenance and renewals.

Waiting to submit an application until the last minute could result in a delay. Now is the time to get these submitted.

- Encourage family and friends to submit applications online – the form is available on DOC's website.
- You may also submit applications directly to Visitor Services using: DOC.Visitors@doc.oregon.gov

All visitors must ensure they are on the adult in custody's (AIC's) approved visitors list **before** scheduling an in-person visit.

While the online system allows for scheduling regardless of visitor status, the visit will be denied at the institution if the visitor is not approved. Check with your incarcerated loved one to ensure your visiting status is up to date.

Please visit DOC's website at: (available 24/7) for the most accurate and up-to-date information on institution visiting: <https://www.oregon.gov/doc>

This website link <https://www.oregon.gov/doc/visiting> takes you directly to the Visiting section with information on:

- Visiting requirements and restrictions.
- A quick visiting checklist – what to bring and what to leave at home or in a facility locker; and
- Anti-drug smuggling information.

The site also has links to the following specifics: ~~deleted comment in this section~~

- How to become a visitor
- Visiting guidelines
- Arriving at the facility
- Visiting hours
- Visiting alerts

IMPORTANT NOTE: We are NOT processing any Administrative Review requests at this time. Updates will be shared once Visiting Services reengages with these requests.

What is the Transitional Savings Account (TRSA)?

- Funds in the TRSA are protected from debt/obligation collection and garnishment.
- Established per SB844/ORS 423.105 as a means for AIC's to save funds for release from ODOC custody.
- 5% of each eligible deposit is applied into an AIC's TRSA until the account reaches \$500.
- AIC's may elect to transfer funds into their TRSA by submitting a Trust Account Transfer Request form (CD1832) up to \$500.
- AIC's may continue a 5% deduction of their eligible deposits beyond \$500 if court ordered financial obligations (COFOs) are satisfied.
- Funds in the TRSA are not available to AIC's until reentry into the community (*no exceptions*).

What is the General Savings Account (GS)? Savings Accounts?

- Funds in the GS Trust Account are not protected from debt/obligation collection or garnishment.
- Established as an optional means for AIC's to save funds outside of the TRSA.
- AIC's may elect to transfer funds into the GS Trust Account once per calendar month by submitting a Trust Account Transfer Request Form (CD1832).
- Funds in this account are not available until the AIC releases from ODOC custody; an exception may be granted by the CFO or designee per OAR 291 Div. 158.

What About External

A Letter from the Corrections Ombudsman:

In 2022 the Oregon legislature funded an independent Corrections Ombudsman position located in the Governor's Office. One of the primary purposes of this position is to strengthen procedures and practices which lessen the possibility that objectionable corrections actions will occur.

The Corrections Ombudsman has the power to investigate, on complaint or on the Ombudsman's own motion, any action by the Department of Corrections (DOC) or any employee thereof without regard to its finality. However, pursuant to ORS 423.425, the Ombudsman may decide not to investigate complaints that are trivial, frivolous, vexatious, or not made in good faith, as well as those that are too long delayed or could reasonably be expected to be resolved through a different administrative process.

The position is located within the Governor's Office and is not accountable to and does not report to the DOC in any manner. All communications to the Ombudsman are confidential and no person who files a complaint to the Ombudsman pursuant to ORS 423.400 to 423.450 shall be subject to any penalties, sanctions or restrictions because of such complaint. If any person willfully obstructs or hinders the proper and lawful exercise of the Ombudsman's powers, or willfully misleads or attempts to mislead the Ombudsman in inquiries under ORS 423.400 to 423.450, a Marion County Circuit Court judge, on application of the Ombudsman, shall compel obedience by proceedings for contempt.

Because the modern version of this position is new, it will take some time to establish the office and build the Ombudsman team. While I am processing and replying to all complaints, please be advised that this is a very slow process. For now, please take the survey below and kyte or write a letter with your answers to the address below.

1. How many people on your contact list have tried to get validated with the IC Solutions phone system?
2. How many have been successful so far?
3. What stopped them from getting registered (they have a prepaid phone, can't get a credit card, system is too complicated, etc.)
4. How long have you been waiting for someone to get validated (ex. "I haven't talked to my partner in six weeks because they can't get validated).
5. What other DOC issues are important to you?

Please send responses by kyte or letter to-

A Letter to Your Younger Self

If you were to write a letter to your younger self, what would you say? Would you talk about a difficult experience in your past, or would you encourage yourself to be strong and face your fears? How could your life's challenges serve as an example for positive change?

If you looked at yourself differently when you were young, would it have altered where you are today? Owning your story is an important part of accepting who you are and moving forward. It allows you to take a critical look at the person you are today and identify where you want to be—personally, professionally, and even emotionally. We all make decisions. The moment we choose to act on that decision, we also make the choice to accept the outcome of that decision—good or bad. As you look back on your life, what are some of the outcomes you can identify? Can you put a name or label some of the emotions attached to those outcomes? How did those emotions guide your life's journey?

As you think about his path, what would you tell your younger self? Often in life, we get so focused on the goal that we forget to find meaning in the journey. It is the journey that we fear the most. It can be filled with “what if”, self-doubt and struggles we may not want to face. But the journey can also be what we need the most. When we overcome the negative, we find deeper meaning in who we are and the path we are on. We come to understand just how much we can accomplish and just how far we can push ourselves to find success.

I hope that you can look back with pride and find meaning not only in your accomplishments, but also in your failures; because that which you have endured with courage, may not only save your life, but someone else's life in the future.

COVID-19 Vaccine and Booster Dose Update – April 2023

The COVID-19 virus is still present in our institutions and communities, and vaccines continue to be the safest and most effective way to protect from COVID-19 infection. The Food and Drug Administration (FDA) has released new guidelines on COVID-19 vaccine protocol. Health Services will be compiling a list of individuals who are eligible for a booster dose and will hold vaccination clinics for individuals who meet the criteria as established by the Food and Drug Administration.

If you are not yet vaccinated and would like to be, please contact Health Services. If you do not wish to be vaccinated, or receive boosters, you can opt-out.

What you need to know:

- At this stage of the pandemic, the FDA is simplifying the use of the authorized single **mRNA bivalent** COVID-19 vaccines (the monovalent mRNA vaccines are no longer being used).
- Most unvaccinated individuals may receive a single dose of a bivalent vaccine, rather than multiple doses of the original monovalent mRNA vaccines.
- Most individuals who have already received a single dose of the bivalent vaccine are not currently eligible for another dose.
- Individuals 65 years of age and older who have received a single dose of a bivalent vaccine may receive one additional dose at least four months following their initial bivalent dose.
- Most individuals with certain kinds of immunocompromise who have received a bivalent COVID19 vaccine may receive a single additional dose of a bivalent COVID-19 vaccine at least 2 months following a dose of a bivalent COVID-19 vaccine.
- Health Services is compiling a list of individuals eligible for a second dose.

If you have questions, please contact Health Services.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
