June

## WINNING WORDS:

June is the time for being in the world in new ways, for throwing off the cold and dark spots of life.

- Joan D. Chittister

## The Month of June

Juno is the ancient Roman goddess of marriage and childbirth. And the month of June is still a popular month for weddings today! As a natural extension of marriage, Juno was also the goddess of childbirth. Another interpretation of the origins of “June” says that the name came from the Latin *juvenis*, “young people,” who were celebrated at this time.

Juno, in Roman religion, was the chief goddess and female counterpart of Jupiter, similar to the relationship between the Greek Hera and Zeus. Perhaps not surprisingly, given her role of protector of women and children, this powerful queen of the gods was also considered the fierce protector and special counselor of the state and a guardian angel warning those in times of danger.

## June Calendar

**June 5 is World Environment Day**—a day meant to raise environmental awareness across the globe.

**June 19 is Juneteenth** (also known as **Freedom Day** or **Emancipation Day**). On this day in 1865, Union General Gordon Granger read the Emancipation Proclamation aloud in Galveston, Texas, effectively liberating enslaved people in the state, which had thus far been beyond control of the Union Army

**June 21 is the summer solstice**, which heralds the start of summer in the Northern Hemisphere. It's the day with the most hours of daylight, so enjoy! In the Southern Hemisphere, winter begins at this time.

☐ **June 21 is National Indigenous Peoples Day** (Canada). This holiday is meant to remind Canadians of the contributions of the many First Nations, Métis, and Inuit peoples.

**June 24 brings Midsummer Day**, traditionally the midpoint of the growing season, halfway between planting and harvesting. It is celebrated in many cultures on the night of **June 23, as Midsummer Eve**.

## A Letter from the Corrections Ombudsman:

In 2022 the Oregon legislature funded an independent Corrections Ombudsman position located in the Governor's Office. One of the primary purposes of this position is to strengthen procedures and practices which lessen the possibility that objectionable corrections actions will occur.

The Corrections Ombudsman has the power to investigate, on complaint or on the Ombudsman's own motion, any action by the Department of Corrections (DOC) or any employee thereof without regard to its finality. However, pursuant to ORS 423.425, the Ombudsman may decide not to investigate complaints that are trivial, frivolous, vexatious, or not made in good faith, as well as those that are too long delayed or could reasonably be expected to be resolved through a different administrative process.

The position is located within the Governor's Office and is not accountable to and does not report to the DOC in any manner. All communications to the Ombudsman are confidential and no person who files a complaint to the Ombudsman pursuant to ORS 423.400 to 423.450 shall be subject to any penalties, sanctions or restrictions because of such complaint. If any person willfully obstructs or hinders the proper and lawful exercise of the Ombudsman's powers, or willfully misleads or attempts to mislead the Ombudsman in inquiries under ORS 423.400 to 423.450, a Marion County Circuit Court judge, on application of the Ombudsman, shall compel obedience by proceedings for contempt.

Because the modern version of this position is new, it will take some time to establish the office and build the Ombudsman team. While I am processing and replying to all complaints, please be advised that this is a very slow process. For now, please take the survey below and kyte or write a letter with your answers to the address below.

1. How many people on your contact list have tried to get validated with the IC Solutions phone system?
2. How many have been successful so far?
3. What stopped them from getting registered (they have a prepaid phone, can't get a credit card, system is too complicated, etc.)
4. How long have you been waiting for someone to get validated (ex. "I haven't talked to my partner in six weeks because they can't get validated).

What other DOC issues are important to you

Please send responses by kyte or letter to-

# Law Library News

In an effort to minimize the likelihood of device and file corruption, thumb drives assigned to AICs by the Law Library will now be replaced every two years. Each AIC will be required to sign a new Removable Media Usage Acknowledgement Statement (CD 1761) every time your legal thumb drive is replaced.

Over the next few months, every AIC with an assigned legal thumb drive will be placed on call out to review their saved files and a Library Coordinator will transfer the files to a brand-new, unused thumb drive. If you do not approve the transfer of your files to a new legal thumb drive, you will not be allowed access to a legal thumb drive until you accept a new one or release from DOC custody, whichever comes first.

The new legal thumb drives have larger storage capacity. AICs will now be limited to two levels of folders on the legal thumb drive. (See example below.) You will be expected to reorganize your existing folders when transferring to the new thumb drive. This will aid you in organization of your files and assist Library Coordinators in auditing your thumb drive each quarter (every 3 months).

## Example of 2 folder levels - Authorized:

## Example of 3 folder levels – NOT authorized:

We know this may be an inconvenient change for some AICs, but we are confident that the new replacement process will limit device and file corruption in the future. If you have questions or concerns, please kyte the Law Library.

# Law Library-Change in Call Out Codes

In an effort to fully schedule law library resources, such as computers, Law Library is changing how we enter call outs. For call outs entered on or after May 1, 2023, all call outs for legal appointments (with the exception of attorney calls) will now have a Section code of "LAW".

The Location code will indicate what your law library appointment is for. Below is a list of location abbreviations and their meanings:

| Abbreviation in Location Field | Meaning of Abbreviation   |
|--------------------------------|---|
| DR                             | Desk Research   |
| TC                             | Research/Word Processing  |
| LA                             | Legal Assistant   |
| MO                             | Mail Out  |
| N                              | Notary  |
| F                              | Forms   |
| A/V                            | Review CDs of discovery   |
| C                              | Copies  |
| Box                            | Legal Boxes   |
| MISC                           | Miscellaneous   |
| MU                             | Make Up (will have service scheduled following. For example: MU, MO, C) |

Note: At this time, no changes to how call outs are entered for staff scheduled calls between AIC and attorney will be made.

# R&D

## Clothing Exchange

Use the clothing exchange bags from the bin behind the officer's station. Make sure you get permission from the officer to enter that area. Put what you are exchanging in the bag with the clothing exchange kyte. When filling out clothing kytes, make sure you fill it out completely, front, and back. We don't have time to look up individual information that you should have included. If information is missing the whole bag, kyte and all will be returned to you to complete. Please explain what is wrong with what you are turning in so that the tailors can determine what to do with it. Please include the number of each item you need and what size you want to have returned to you. Please include your unit and bunk as well as job assignment in case we have questions and need to locate you. If you send a clothing kyte through the mail, we will get it after clothing bags are processed and the tags are printed. It will be send it back to you to so you can put it into a bag. You are allowed to exchange clothing once every 2 weeks. This doesn't include socks, underwear laundry bags, shower shoes or shoes. For those items we will exchange one for one as needed.

## What we do:

We exchange clothing items one for one. If you need to replace anything from underwear to jackets, you need to turn one in. For underwear if you don't have a pair to exchange you will need to get them from your unit officer who should have a bag of used underwear of various sizes. For socks Please utilize the clothing exchange bags, even if you don't have anything to put into the bag, if you have lost a pair or pairs of socks you will be called down to get used socks to replace them. If you turn in worn out socks or underwear they will be replaced by a new pair and returned in the bag to your unit later that day.

The Foot wear carried by R&D are shoes, boots and shower shoes. If you own shoes or boots you are not allowed to be issued state shoes or boots. We have a few different kinds of boots and you get what you get, we don't have all kinds in all sizes. If you have very odd size feet we will work with you, but only if your feet measure that way. We do not provide "medical shoes" the only odd shoes we have are very wide, again your feet will have to measure as wide.

We are issuing TV Covers, it will take a while to get them all out so be patient. Once one is issued to you it is your responsibility to take care of it, if it becomes damaged you will not be issued another one and you will be charged for the damage. The TV cover we issue is property of WCCF, it is to be returned if you leave just like clothing and locks.

Mattresses can be exchanged if they are bad. You might not get a NEW mattress, you will get the next available mattress just like clothing. Send a kyte to R&D asking to exchange your mattress. It will be date stamped and processed in the order it was received. There is no such thing as a medical mattress and medical will not get involved in mattress exchange. Please don't bother medical with clothing and bedding issues, they are busy enough with legitimate medical needs.

## What we don't do:

We do not repair items you send down and return them to you. We will exchange them instead.

We do not issue medical shoes, medical doesn't authorize special shoes or boots, or any other clothing or R&D items.

We don't do special orders such as, a specific color of jeans. We don't have very many "faded" jeans and don't have the time to shuffle through to find just the right pair.

We don't sew new tags on blue shorts, unless you just arrived with blue shorts or just received them from canteen. If your tag is coming lose, please send it in while it is still attached to the shorts so it is obvious that it was sewn in on a machine. Otherwise, shorts without a tag will be confiscated.

We don't take out your laundry, if you turn in wet or dirty towels or clothing for any reason, it will be sent back to you with a warning. If you continue to send in wet or dirty clothing we will utilize progressive discipline.

## The 5 minute refresh meditation

So go ahead and get into a comfortable position,

Close your eyes and bring your attention to your breath

Letting go of everything happening around you...

All the activity from the day...

All the thoughts swirling around...

All the physical sensations you might be feeling...

And simply focus on your inhale...and your exhale.

### **PAUSE...**

Take a deep breath in...

And as you exhale, drop into relaxation...

Lowering your shoulders,

Softening your cheeks,

Relaxing your arms and your legs...

And allow your body to be rooted in this moment with your breath.

Soft, yet solid.

Relaxed, yet aware.

### **PAUSE...**

As you breathe normally, I want you to imagine that every breath in is cleansing you, clearing space that is taken up by emotions or physical sensation. And every breath out is exhaling those emotions or physical sensations out of your body.

Breathing in, clearing space.

Breathing out, letting it go.

### **PAUSE...**

And now inhale deeply into your belly, feeling your body expand with rejuvenating energy.

And exhale all the way out.

And one more deep breath in, feeling the cleansing inhale refresh you,

And exhale everything else out.

Now bring your breathing to its normal rhythm...

And feel as your body vibrates softly with a cool, fresh energy.

# EXTRA POSTAGE

In 2006, Central Trust advised the Mailrooms to discontinue the process of accepting CD28's for "extra postage". This practice has crept back into some facilities, and we have again been asked to discontinue allowing it.

Canteen provides a variety of sizes of envelopes and weight limits. Many Canteens also provide a variety of shipping boxes; those facilities that do not currently have that option should soon.

CD28's can be used for:

Priority Legal Mail through the Legal Library

At institutions where Canteen does not offer shipping boxes, to mail items that are too large/heavy for envelopes (for example, to mail out a dozen books to clear out some of your property).
