## Notice of a Single Change to the OSP General Population Shower and Morning Yard Schedule

Because of a planned event scheduled for Friday, August 18, 2023, I will move general population showers to Thursday, August 17, 2023, and we will not have a morning yard on Friday. We will resume normal operations after the 11:00 am count clears. I am doing this to minimize the impact of the event on showers. The event will not affect regularly scheduled callouts and visits for the general population. The event will not impact the daily operations of SMH.

## AIC Property and Clothing Allowed Past Security Gate

Effective August 7, 2023, AICs will no longer be allowed to take any clothing or personal items with them in or out of the security gate that exceeds the following:

- On Mondays, AICs will be allowed to take canteen items to their designated work area for their use the following week. No items are allowed to come back out. This may include a cup, Tupperware dish, pitcher, food items, condiments, and hygiene items.
- One clear cup or clear pitcher of ice may be taken out with the AIC at the end of their shift, and they may bring the empty clear cup/pitcher back the following day.
- No additional clothing items will be going in or out. AICs that work in the laundry are provided with an opportunity to shower and change out the clothes that they wore to work that day. After their shower, they should wear their clean clothes out. If they need clothing exchanged or replaced beyond this, they will need to go through the clothing room. AICs assigned to other areas, are on a call out for evening

showers at which time they can exchange their clothing.

- No bags, backpacks or any other items are allowed through the security gate. AICs should only have their ID, any medication that they are required to always carry with them, and any appropriate paperwork.
- AICs that are in educational programs beyond the security gates will be allowed to take the appropriate books and papers. These will be scanned going in and out of the security gate and they should be able to carry them without utilizing a bag or backpack.
- AICs that attempt to bring things with them will be returned to their housing units/work site, risk having items confiscated in accordance with the property rule and subject to progressive discipline.
- All AICs are REQUIRED to scan in and out using the schedule track. AICs failing to do so will be subject to disciplinary action for Unauthorized Area and Disobedience of an Order.
- AICs not authorized to go through the security gate will not be allowed to be overridden without authorization of the OIC. Unauthorized AICs attempting to pass through the security gate or assisting others to pass through the security gate will be subject to disciplinary actions that may include segregation placement.

June 12, 2023

**To:** Correctional Professionals

Dear Sir/Ma'am,

I am hoping to gain your support for a foundation I established in 2012, the Pitzer Family Education Foundation (PFEF), previously known as Creative Corrections Education Foundation. The foundation's goal is to achieve a nationwide mission to provide scholarships and financial aid to qualified young adults 18-27 years old who have a parent incarcerated.

As a retired Warden working in corrections for nearly 30 years, I envision that this program can be funded by donations from inmates. Over the years, inmates have already donated over \$240,000, providing 189 scholarships. An estimated 1.2 million individuals are incarcerated in state, federal and private facilities. If we gain the support of ten percent of that population, each donating as little as a dollar a month, a majority, if not all, children of incarcerated parents could be helped to advance their education and employability skills.

Our goal is to reduce second-generation crimes committed by these kids, helping them avoid following their parents into prison and jails. It is estimated there are currently 2.7 million Children who have a parent incarcerated. They are at an increased likelihood of entering corrections simply by virtue of the fact their parents are incarcerated.

What better way can this goal be accomplished than through inmates supporting their own children's education? It is far less costly to educate than to incarcerate. An important note, 100% of all donations received from inmates will go toward scholarships and aid.

Building more prisons is not a solution to reducing crime in our nation. I am asking you to join PFEF in attaining this mission's goals. With your support of the foundation and sharing this idea with your inmate population, I have no doubt the goals will be accomplished.

I look forward to partnering with you in the future. Thank you for what you do and for your consideration.

Sincerely,
