Get your Flu Shot!

Pow Wow Photos now available. See Page 11

The Centers for Disease Control and Prevention (CDC) recommend everyone 6 months and older get vaccinated every flu season. It takes about 2 weeks for protection to develop after vaccination. There are many flu viruses, and they are always changing. Each year a new flu vaccine is made to protect against the influenza viruses believed to likely cause disease in the upcoming flu season. Even when the vaccine doesn't exactly match these viruses, it may still provide some protection. The influenza vaccines does not cause flu. An influenza vaccine may be given at the same time as other vaccines. People with minor illnesses, such as a cold, may be vaccinated. People who are moderately or severely ill should usually wait until they recover before getting an influenza vaccine. Soreness, redness, and swelling where the shot is given; and fever, muscle aches, and headaches can happen after influenza vaccination. If you have any questions regarding flu vaccination, please kyte Health Services for additional info.

HAVING TROUBLE WITH T-MOBILE?

WE WORK TOGETHER!

The Department of Corrections is aware that T-Mobile and Boost Mobile customers may have difficulty receiving calls from AICs due to T-Mobile's spam filters. T-Mobile is investigating the issue.

There are currently two solutions:

- You can call T-Mobile customer service and request that the number associated with the prison be removed from the blocked spam list. For general help, dial 611 from your T-Mobile phone or call 1-800-937-8997.
- You can also download the "Scam Shield app," which should be a T-Mobile app. From the application, you can add the number you want to allow yourself.

If you have the Scam Shield app, disable it and/or manually add the phone number to the list of approved people. Double-check that your phone does not have "unknown call filtering" enabled.

If you have an emergency, please contact the center directly.

Court Ordered Financial Obligations (COFOs)

What are Court Ordered Financial Obligations (COFOs)?

COFOs are financial obligations owed by an Adult in Custody (AIC) assigned during a legal proceeding. COFOs may consist of restitution, fines, fees, child support, or civil judgements including money owed to a victim. *Note: COFOs are not the same as County and U.S. Court Filing Fees.*

Why does the Department of Corrections (DOC) collect COFOs?

Oregon Revised Statute (ORS) 423.105 became law in 2017, directing DOC to collect COFOs on behalf of the Oregon Judicial Department (OJD) and the Department of Justice (DOJ). **How are COFOs collected?**

COFOs are collected from eligible deposits, or deposits that are not protected from debt and obligation collection. Examples of eligible deposits include AIC performance monetary awards (PRAS) and moneys received from an AIC’s family or friends.

10% of each eligible deposit is collected until the AIC’s transitional savings has reached \$500. After the AIC’s transitional savings has reached \$500, 15% of each eligible deposit is collected for COFOs until those obligations are satisfied.

Who do I contact if I have questions about COFOs?

DOC is unable to provide case-specific information. AICs with questions or concerns about their COFO details should contact OJD/DOJ or the appropriate court of record.

To All Adults in Custody (AICs),

As you know, Pell Grants for colleges/universities are coming back soon. The most important thing to know is **you will not be able to fill out the Free Application for Federal Student Aid (FAFSA®) form** and apply for a Pell Grant on your own for college within the facilities. You will need to apply directly to the approved college/university programs.

There are Federal guidelines the colleges/universities must go through to become a Pell Grant approved program.

- 1) The colleges/universities need to apply with the department to be selected as a program.
- 2) The colleges/universities have to get each facility accredited as one of their participating programs.
- 3) Finally, they have to apply with the U.S. Department of Education to become a Pell Grant program.

Currently the U.S. Department of Education has not finalized these applications. We have two programs previously approved through the 2nd Chance Pell Grant process offering classes through Chemeketa Community College at Oregon State Penitentiary and Treasure Valley Community College (TVCC) at

Snake River Correctional Institution. These programs will continue. Central Oregon Community College,

Portland Community College, Blue Mountain Community College, TVCC, Chemeketa, Portland State University, and Adams State (a correspondence program) have begun the process of the DOC application and to get accredited.

We do not have any new approved sites at this time. If you have any questions, reach out to the Education and Training Unit

Contact Officer Corner

Responsible

Have you ever thought about what it means to be “responsible”? The definition of being responsible includes being “*morally accountable for one’s behavior*” and “*being the primary cause of something and so able to be blamed or credited for it.*” When we are morally accountable for our behavior, we take ownership of our decisions—good or bad; as well as ownership for the outcomes of those decisions—good or bad. How would your life look if you prioritized personal responsibility? What would you change first? What would you take credit for? Would being responsible free you from the opinions and judgements of yourself and others? How would ownership and responsibility change your emotions, actions and behaviors; thus, help you to be more mindful? What are the ripple effects of being responsible? Who in your life would benefit from this shift in mindset? Challenge yourself to be more mindful and implement responsibility in your daily life. If you face obstacles, talk to a friend or support person to identify how you can overcome the issue, move forward and reach your full potential. Remember, being responsible takes daily effort and the desire to improve...one day at a time.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
