### Hearing Notice from the Court

#### What do I do as an AIC that receives a Hearing Notice?

Unable to contact the court with the phones here

Contact staff here.

The **best way** to be able to proceed:

Contact family/friends and give them the information on the Hearing Notice:

- Contact number on the Hearings Notice – SCI is conducting phone calls (at this time)
- Give the case number, your full name and SID# to your contact, THEN your contact can call the court. They can give out the SCI staff information in the next step
- Give your contact (Family/Friend) the staff contact (Ms. Moya 503-378-2964) OR DOC website for professional calls (follow prompts under SCI section)

#### What happens next?

- Court contacts Ms. Bielenberg to schedule
- Call-out is entered & a reminder kyte sent
- Complete your call in assigned location (Unit 2 call room)

#### Do I need to follow-up and send a kyte to staff?

If you receive another Hearings Notice from the courts, the process will need to be repeated.

Sometimes you may need to call/ write your attorney, not staff.

## Mailroom reminders

Please make sure your name and Sid# is on incoming and outgoing mail. All package authorizations must be approved by Lt. Comstock prior to you ordering the items.

## PHOTOS DURING WINTER MONTHS!!!!

Photos during the winter months will still be taken on the yard and in visiting,. Depending on how many we receive, we may not send them out weekly, like we have been. It's possible it could be only once a month we send them out. So please plan ahead if paroling and discuss with the photographer or Mr. Jenne. The Same goes for CD 28's we may submit only once a month depending on how many we receive.

## Commissary

Due to rising cost of goods, our vendors have increased prices on some of the products we carry in commissary. The new prices go into effect on September 23, 2023. We apologize for the short notice. We are updating the commissary order forms as quickly as possible.

## Halloween Visit

**Units 2&4 Monday Oct.23<sup>rd</sup>    Units 1&3 Thursday Oct.26<sup>th</sup>**

**Invite your kids to come and play games, and eat candy!**

**Your kids will have the opportunity to Trick or Treat as they come in to visit. Also we will have cookies and juice, and play BINGO! Kids 12 and under may wear their costumes. The cost is just \$2 a visitor, fill out the special order form if you wish to attend and have them turned in to the black activities box by October 5<sup>th</sup>. Kids will also receive a pumpkin to take home on their way out! Regular visiting will be cancelled on these two nights.**

*Note: Debt / Obligation types appear in order of collection priority. ODOC will comply with garnishment orders upon receipt.*

## Transitional News

From RTOS:

Resource hours are open from 800am to 1000am in Unit 5 (if the yard is open). If you need any resources or have questions, please come and visit us.

Clarification on "Clean Slate". I received a few requests for information on this program. It appears that this is a county specific program and not all counties have it. The only part that RTOS has in it is helping you obtain information on what is needed to get your license back when you release and that is the reinstatement form that you send to DMV.

Financial Peace classes will be starting up soon. If you have not signed up, send a kyte to Transitions (Ms. Enomoto-Haole) if you are interested.

**Nutritional Adequacy of the Meat Alternative Tray**

The meat alternative tray (MAT) provides an average of 915 calories per lunch or dinner meal. Protein content averages 27 grams (g.) per meal. For comparison, ODOC mainline lunch or dinner meals average 940 calories and 38 g. protein per meal.

According to the USDA Dietary Guidelines for Americans, adequate protein intake for males ranging in age from 19-65 years is 56 g. per day. Calorie requirements for this same group are from 2200-2800 calories per day, depending upon age and activity level.

The MAT provides 1/3 of daily requirements for adult males in calories and protein.

¡Vacúnese contra la influenza!

Los Centros para el Control y la Prevención de Enfermedades (CDC, por sus siglas en inglés) recomiendan que todas las personas de 6 años de edad y mayores se vacunen cada temporada de influenza. La protección tarda en desarrollarse alrededor de 2 semanas después de la vacunación. Hay muchos virus de influenza y siempre están cambiando. Cada año se produce una nueva vacuna en contra de los virus de la influenza que se cree son los probables de causar la enfermedad en la siguiente temporada de influenza. Incluso si la vacuna no coincide exactamente con estos virus, esta sí puede ofrecer cierta protección. Las vacunas en contra de la influenza no causan la gripe. Una vacuna contra la influenza puede administrarse al mismo tiempo que otras vacunas. Las personas con enfermedades menores, como un resfriado, pueden vacunarse. Las personas que están moderada o severamente enfermas normalmente deben esperar hasta su recuperación antes de vacunarse contra la influenza. Dolor, enrojecimiento e inflamación en el sitio en el que se puso la vacuna; y fiebre, dolores musculares y de cabeza pueden presentarse después de la vacuna contra la influenza.

Get your flu shot!

The Centers for Disease Control and Prevention (CDC) recommend everyone 6 months and older get vaccinated every flu season. It takes about 2 weeks for protection to develop after vaccination. There are many flu viruses, and they are always changing. Each year a new flu vaccine is made to protect against the influenza viruses believed to likely cause disease in the upcoming flu season. Even when the vaccine doesn't exactly match these viruses, it may still provide some protection. The influenza vaccines does not cause flu. An influenza vaccine may be given at the same time as other vaccines. People with minor illnesses, such as a cold, may be vaccinated. People who are moderately or severely ill should usually wait until they recover before getting an influenza vaccine. Soreness, redness, and swelling where the shot is given; and fever, muscle aches, and headaches can happen after influenza vaccination.

# Have a fantastic Month
