ART PROGRAM GALLERY 2023

Our mission

The Art program was founded in 2020, and since the inception of our program, we have created several murals within the walls of O.S.P. Our mission is to bring communities together through art and imagination. This unique program is designed to provide the tools needed to assist others through community, team building, using resources, time management, brainstorming skills, and most importantly, giving the ability to have a sense of pride once projects are completed. This presents a positive legacy for others to follow and remember. **Thank you to the OSP Administration for the opportunity and support that gives to this program**

The Art Program had our first art gallery on November 27th, 2023. It was nice to be together as artists and share with each other. For any who missed it, we are having another art gallery in April 2024, and art classes will be available also. We are open to all people and all mediums of art and look to be as inclusive as possible to all who enjoy art as much as us.

Thanks to all the artists who participated, the people who voted, and all those who donated their time to help make this function possible.

Congratulations to the winners of the gallery's art contest:
