Amendment to the AIC Handbook Pertaining to Authorized Amount of Soda Tickets

Effective April 1, 2024, AICs will not be allowed to have more than fifty (SO) soda tickets in their possession. Soda Tickets in excess of the authorized fifty (SO) will be considered as excessive, deemed as items of barter and discarded in accordance with the property rule regarding contraband. Being in possession of contraband and/or excessive property may result in confiscation of the item(s) and/or disciplinary actions. This does not pertain to the number of tickets allowed on the yard. AICs may still only have five (5) soda tickets in their possession while on the recreation yard.

Felix is Paroling

Goodbye

Felix has a release plan and is paroling to a new home outside these concrete walls at the end of this upcoming month.

After 14 years of service, philanthropy, and fellowship, Felix is retiring. OSP has partnered with Project Pooch from the beginning with bringing Felix to our community and is transitioning him to a residential life outside full of love, support, and appreciation.

Felix will be out and about for his farewell tour for the next few weeks so please stop by or take a moment when you see him. Although there will be no real replacement for Felix there is no plan currently in place at this time for a new member to the community. It is being evaluated for what it would look like to have another dog or dogs at OSP.

Thank you to everyone that helped ensure that Felix is loved and has been taken care of here in our community.

HEALTH SERVICES

Sexually Transmitted Disease Testing

Oregon Department of Corrections will now be requiring every Adult in Custody (AIC) to opt-in or opt-out of sexually transmitted disease testing once during their incarceration.

Just like with the flu immunizations, everyone will have to sign a consent form stating yes, they would like testing or no, they are not interested in tested. This will just be for one time during your current sentence. If you paroled and return, you will be required to repeat it at that time.

You will be receiving a form via the AIC communication system that you will be required to fill out. If you live in General Population (GP), Day Treatment Unit (DTU), or Dorm, please return it by putting it in the medical communication form box on the Control Floor. If you

are in a Special Housing Unit: Mental Health Infirmary (MHI), Behavior Health Unit (BHU), Disciplinary Segregation Unit (DSU), or Intermediate Care Housing Unit (ICH), please hand it to a nurse as they are making their rounds.

Once the forms have been received back, if you have chosen to be tested, you will be scheduled in the upcoming weeks. If you chose not to be tested, the form will be placed in your chart and your name will be removed from the list. You may always change your mind at any time by sending a new AIC communication to Medical.

If you have recently been tested and chose not to be retested, please opt-out of testing,

/s/ K. Ross, OSP Health Services Nurse Manager

MHI Unit ADL/Peer Companion Position

We believe that Adults in Custody (AIC) who have proven to be successful in the prison community can provide a valuable resource to peers within that community. By listening to and mentoring peers who are struggling with various disabilities, Peer Companions can help teach them how to more effectively and productively manage their own responses to their environment.

Mental Health Special Housing is now hiring for two, full-time ADL/Peer Companions on the Mental Health Infirmary (MHI) unit. The Individuals selected for this position will report to the MHI unit for their shifts. We are looking for motivated, responsible individuals who have the willingness to work with individuals unable to care for their own ADLs as well as individuals experiencing significant mental health symptoms. It is important for Unit Peer Companion candidates to behave in a manner that is respectful, safe, confidential, and honest, modeling patience, respectful communication, and the following of all unit and institution rules.

MHI Unit ADL/Peer Companions will have specific shifts and are responsible for assisting unit staff, Qualified Mental Health Professionals (QMHP) and treatment staff in ensuring that identified AICs housed on MHI are getting their basic and daily needs met,

which helps to improve their functioning and improve their overall quality of life while incarcerated.

Duties may also include assisting individuals around ADL coaching and skillbuilding; increasing social interactions; and guiding or accompanying individuals who have difficulty walking or who are resistant to engaging in activities outside of their cells to activities on the unit, during day room, or out for MHI yard time.
