SNAKE RIVER CORRECTIONAL INSTITUTION SUSTAINABILITY

In an effort to support sustainability at Snake River Correctional Institution, the Snake River Currents and AIC Menu will be uploaded to the tablets that Adults in Custody (AIC) have access to, beginning next week. Housing units will be provided a printed copy for posting in each unit.

The amount of paper and ink used to print these publications is substantial and the cost savings are anticipated to be significant! Thanks to all who suggested this monumental sustainability improvement.

FROM HEALTH SERVICES - AIC ELECTRONIC HEALTH RECORDS (EHR)

April 1, 2024 - Health Services wants to update you throughout the EHR Project and make sure you always have the latest information about how to access health care. Health Services may sometimes repeat information for others who may have missed previous updates and will continue to share new information with you when it becomes available.

One **IMPORTANT** thing to remember is that for now, you still access health care how you always have in your institution by sending a KYTE request to Health Services.

Small construction projects in place like satellite medical or in the clinic will take place as the EHR Project moves forward. These teams are working hard to make sure your health providers have the EHR tools and equipment ready and available when providing your care in the future

Speaking of the future! When the EHR system starts being used in your institution, your doctors, nurses, dentists, and mental health professionals will be able to see your important health information right on their computer just like when you visit a health provider on the outside.

Finally, Health Services would also like to know that they continue to update your friends and family about the EHR Project through the Department of Corrections Friends and Family publication.

OPPORTUNITY OREGON

Opportunity Oregon will be here on May 1st at both SRCI and SRCM. If you are within two years to release, **Nancy Pance** will be here to share information and will have applications. Opportunity Oregon helps those releasing from prison find sustainable employment. To attend, please kyte Ms. Clig, Box 336, by April 23rd, 2024.

COVID-19 VACCINE AND BOOSTER DOSE UPDATE – MARCH 2024

The COVID-19 virus is still present in our institutions and communities, and vaccines continue to be the safest and most effective way to protect from COVID-19 infection. The Centers for Disease Control and Prevention (CDC) has authorized another vaccine booster series for COVID-19. Health Services will be approaching all individuals to inquire if vaccination is desired. If you do not wish to be vaccinated, or receive boosters, you can opt-out. If you have questions, contact your health care provider.
